MEDIA GUIDELINES

All media who wish to cover FSU athletics will be expected to comply with all the procedures of the University, ACC and FSU Public Relations Office in order to be credentialed. Procedures will be provided in detail at the start of the 2026-27 athletic year and are subject to change at any time.

INTERVIEWS

Media interviews with all FSU players and coaches MUST be arranged through the Public Relations Office. Email Derek Satterfield (dsatterfield@fsu.edu) to arrange interviews with head coach Mike Norvell, assistant coaches, staff and all student-athletes. Please give as much advance notice as possible when requesting interviews.

Players will be available at designated times during the season.

Players' phone numbers will not be given to the media and players should not be called directly or contacted through social media to arrange interviews or ask questions.

HEAD COACH MIKE NORVELL

FSU head coach Mike Norvell will hold his weekly press conference on Mondays during the season. Contact the Public Relations Office or refer to the weekly release for exact times for the press conferences, which will begin during the week of the first game and run throughout the season, as well as additional media opportunities during game weeks.

All interview requests for Coach Norvell are coordinated through the FSU Public Relations Office by emailing Derek Satterfield (dsatterfield@fsu.edu).

VIDEO SERVICES

Florida State's Public Relations Office has the ability to assist networks and television stations by providing video services through Seminole Productions, Inc. (SPI). Please call Kirby Kander at (850) 644-8036 to arrange for these services. For more information on Seminole Productions, visit sempro.cci.fsu.edu.

XOS DIGITAL EXCHANGE

The Florida State Public Relations Office has partnered with XOS Digital in order to provide over-the-air television stations with instantaneous access to video content. The partnership involves the use of the company's Digital Media Xchange Server that will allow television stations to pull down video content year-round. The data transfer speed is much faster than a traditional FTP service allowing very large files to be downloaded in just minutes.

The password-protected video FTP site will be hosting Monday press conferences with head coach Mike Norvell as well as post-practice availabilities throughout the week.

If you have an interest in creating an account that gives you access to the video weekly, please email Derek Satterfield (dsatterfield@fsu.edu). If you are looking for access for a particular game week, please email prior to that game to set up a guest account.

SOCIAL MEDIA

Florida State Public Relations is making a continued effort in 2026-27 to utilize social media outlets as another way of passing information to our fans and those who cover our programs. FSU Football's X account @FSUFootball and Instagram feed @FSUfootball provide updated information and behind-the-scenes news as does the Noles' Facebook page - facebook.com/FSUFootball.

EST. 1851

So fight, fight, fight, fight, for victory the Seminoles of Florida State! F-L-O-R-I-D-A-S-T-A-T-E Florida State, Florida State, Florida State!

MIKE NORVELL
HEAD COACH

Experience: 7th Season at FSU | 11th Season as head coach | 21st Season as collegiate coach
Hometown: Irving, Texas | Alma Mater: Central Arkansas, 2005; Central Arkansas, 2007
Family: wife, Maria; daughter, Mila

Mike Norvell, who was named Florida State's head football coach on Dec. 8, 2019, and led the Seminoles to an undefeated regular season and the program's 16th ACC championship in 2023, enters his seventh season overseeing the FSU program in 2026.

Thirty-one of Norvell's pupils have been selected in the last eight NFL Drafts, led by first-round picks Jared Verse in 2024 and Jermaine Johnson II in 2022. Norvell has coached multiple picks in seven of the last eight years. In addition to Johnson and Verse, Norvell also guided second-round picks Keon Coleman, Braden Fiske, Renardo Green, Anthony Miller and Asante Samuel, Jr., as well as third-round selections Trey Benson, Jarrian Jones, Azareye'h Thomas, Darrell Henderson, Antonio Gibson and Dylan Parham.

Norvell's offenses are averaging 34.6 points per game during his 10 years as a head coach, which ranks as the third-highest average in the country among head coaches active each year from 2016-26. Norvell is one of only three head coaches to produce a top-7 rushing offense and top-7 passing offense since 2016. His offense has showcased 60 individual 100-yard rushing games, 52 individual 100-yard receiving games and 26 individual 300-yard passing games. In addition to his high-powered offenses, Norvell's teams have also scored 15 defensive touchdowns and 14 kickoff return touchdowns.

In his career, Norvell has coached 38 NFL Draft picks, 22 All-Americans, including 14 first-team selections, five conference Players of the Year, one ACC Defensive Rookie of the Year and 122 all-conference recognitions.

FSU's 2025 campaign began with a bang as FSU rolled to a 31-17 defeat of eventual College Football Playoff participant Alabama to open the season. The Seminoles produced one of the most explosive offenses in college football, finishing the season with an average of 472.1 yards of total offense per game behind 218.7 yards on the ground, a 50.9 third-down percentage and an average of 15.21 yards per completion. All four marks led the ACC and ranked in the top 15 of the country, and the rushing yards average was FSU's highest since 1995.

Eight Seminoles earned All-ACC recognition, led by first-team selections Duce Robinson and Luke Petitbon. Robinson led all ACC players in total all-conference votes after becoming the 11th different FSU receiver to reach 1,000 yards in a season. His 1,081 yards were the ninth-highest single-season total in program history, and he led the ACC and ranked ninth nationally with his average of 90.1 receiving yards per game. Petitbon was FSU's first center to garner first-team all-conference recognition since 2013. Defensive tackle Mandrell Desir earned True Freshman All-America honors from both On3 and 247Sports and was the only freshman defensive lineman to earn All-ACC honors in 2025.

The 2024 team produced two first-team All-Americans, including the program's first Consensus All-American since 2016, and an FWAA Freshman All-American, also FSU's first since 2016.

Norvell earned the Dodd Trophy and Bryant Award in 2023, becoming the eighth coach and second since 2003 to win both national Coach of the Year recognitions in the same season. He also was named ACC Coach of the Year, joining the legendary Bobby Bowden as the only FSU coaches to earn the conference's top coaching honor, and the AFCA Region 1 Coach of the Year while also being named one of five finalists for the George Munger Coach of the Year Award presented by the Maxwell Football Club and one of 12 finalists for the Eddie Robinson Coach of the Year Award.

Florida State rolled through an unbeaten, 13-0 regular season that included wins over eight P4 bowl-eligible teams, including No. 14 Louisville in the ACC Championship Game, and was No. 4 in the final Associated Press poll of the regular season. It was the third 13-win season in program history, and Norvell became only the sixth different ACC coach since 2000 to lead his team to an undefeated record in conference play. His ACC Championship Game appearance marked his fourth conference championship game, which ranks fourth among head coaches active in 2026, and he also is one of only nine head coaches ever to make three conference championship game appearances in their first four years.

FSU showcased dominance in all three phases, as it was the only team in the nation that produced a stretch in which it outscored its opponent by at least 17 points in every regular-season game, with eight of those games featuring a scoring run of plus-24 or better.

The 2023 Seminoles produced a program-record 25 selections to the All-ACC team, led by ACC Player of the Year and first-team all-conference quarterback Jordan Travis. FSU's eight first-team selections were the most in the conference, and Florida State also led the ACC in second-team and third-team honorees. Keon Coleman became the first FSU player to earn three first-team all-conference honors in one season after being named first-team All-ACC at wide receiver, all-purpose player and return specialist.

Travis flourished in his final year under Norvell's guidance, developing into one of the best players in the nation and finishing fifth in the Heisman Trophy voting despite being injured in the first quarter of FSU's 11th game of the season. In only 10 full games, Travis passed for 2,756 yards and 20 touchdowns and added another 176 yards and seven touchdowns rushing for 2,932 yards of total offense and 27 total touchdowns. He completed his Florida State career holding program records for career touchdown responsibility, total offense yards, quarterback rushing yards and quarterback rushing touchdowns while also placing himself in the top-five in passing touchdowns, passing yards, wins as a starting quarterback, completions, completion percentage and rushing touchdowns.

Florida State's 2023 campaign showcased playmakers in all three phases. The Seminoles led the nation in opponent completion percentage, pass breakups and passes defended while ranking second nationally in fewest interceptions thrown, third in net punting, sixth in passing efficiency defense, sacks and third-down defense and seventh in kickoff return average. FSU led the ACC in scoring offense for the second straight year while also leading the conference in yards per completion, sacks per game, kickoff return average, fewest interceptions thrown and fewest total turnovers.

Norvell, a 2019 finalist for the Eddie Robinson and Bear Bryant Coach of the Year awards, has developed an impressive coaching tree in his first nine seasons as head coach. For the 2026 season, 45 current Division I coaches, including five head coaches and 11 coordinators, have served on a Norvell staff. Among Norvell's hires are current head coaches at Arizona State, Arkansas, Buffalo, Oregon and Tulane and coaches at Colorado, Florida, Kansas State, Missouri, Nebraska, Ohio State, Pitt and USC.

Statistically, the 2022 team was among the nation's best in multiple categories in all three phases. FSU was the only team to lead its conference in both total offense and total defense in 2022. Florida State was one of two teams nationally to average at least 270 passing yards and at least 210 rushing yards per game. The Seminoles, along with Alabama and Georgia, were the only three teams to rank in the top-15 in yards per play on offense and defense. Those three teams were also the only ones ranked in the top-20 in total defense, scoring defense, total offense and scoring offense.

Florida State led the country with an average of 7.46 plays of at least 20 yards per game and ranked second nationally with an explosive play differential of +7.41. The defense was fourth in the country in passing defense, and FSU was one of six teams nationally to rank in the top-25 in kickoff return and punt return average. Florida State led the ACC in passing defense, third-down offense, yards gained per pass, yards gained per play, yards gained per rush, total offense per game, yards per completion, yards allowed per pass, rushing offense per game, yards allowed per play, total defense per game and scoring offense per game.

The Seminoles were led by Jordan Travis, who was PFF's highest-graded quarterback and the highest-graded offensive player in the ACC. Travis continued to showcase his development under Norvell, ranking first in the ACC in yards per play, yards per pass attempt, yards per completion and pass efficiency rating. He had a school-record six straight games accounting for at least three touchdowns and became the first player in program history with at least 20 passing touchdowns and seven rushing touchdowns in one season. The redshirt junior saved his best performance for last, accounting for an FSU bowl-record 468 yards of total offense in the Cheez-It Bowl victory over Oklahoma that included a career-high 418 passing yards and 50 rushing yards, making him only the fifth player nationally with at least 400 passing yards and 50 rushing yards in a bowl game since 2000.

The defense was led by first-team All-Americans Jared Verse and Jammie Robinson. Verse was the ACC's Newcomer of the Year after he dominated in his first season at Florida State following a transfer from Albany, leading the conference with an average of 0.75 sacks per game and ranking second in the ACC and 10th nationally with an average of 1.4 tackles for loss per game. Robinson, FSU's first back-to-back first-team All-ACC defender since Jalen Ramsey in 2014-15, was the Seminoles' leading tackler for the second straight season. He registered 99 stops, including a game-high 13 in the Cheez-It Bowl victory, and recorded 5.0 tackles for loss, 1.0 sack, five pass breakups, one interception and one fumble recovery.

Offensive lineman Dillan Gibbons became the first FSU player to win the prestigious Wuerffel Trophy, given to the FBS player who best combines exemplary community service with leadership achievement on and off the field. Along with the Wuerffel, Gibbons, who started all 13 games at left guard, was voted captain of the Good Works Team, named the winner of the ACC's Jim Tatum Award given to the league's top football senior scholar-athlete and was selected as a first-team All-ACC performer.

The 2021 season was highlighted by first-team All-American and ACC Defensive Player of the Year Jermaine Johnson II, who elevated his game into a first-round NFL Draft pick in his one season at Florida State. Johnson, the only athlete to win a Player of the Year award in his first season with an ACC program, and first-team All-ACC defensive back Jammie Robinson led FSU's contingent of eight all-conference recognitions for the program's most All-ACC honorees since 2016.

Florida State ended the 2021 season converting 32 consecutive red zone trips, the longest active streak in America and the second-longest streak at any point in 2021, scoring an average of 6.1 points per red zone trip during the streak. The Seminoles also grabbed at least one interception in each of the last eight games of 2021, tied for the longest streak in the country in 2021.

Florida State ranked second in the ACC and seventh nationally in red zone defense, allowing points on only 70.6 percent of red zone drives. The Seminoles also ranked third in the ACC with 20 total takeaways and 7.2 tackles for loss per game, while their 14 interceptions were fourth overall in the conference. The tackles-for-loss average ranked 12th nationally and was FSU's highest for a season since 2016.

In his first season at Florida State, Norvell led the youngest team in the nation as freshmen and sophomores made up 75 percent of FSU's roster and 34 players made their first appearance for the Seminoles. While navigating through a global pandemic that ended spring practice after only three sessions and impacted summer workouts and the regular season, Norvell became the only coach in ACC history to defeat a top-five team in his first season when FSU earned a 31-28 victory over No. 5 North Carolina. In the season finale, a 56-35 win over Duke, Florida State scored six rushing touchdowns, matching the program record for rushing touchdowns in an ACC game.

The Seminoles averaged 199.9 rushing yards per game, the program's highest since 2016 and 20th nationally among teams that played at least nine games in 2020, and 5.11 yards per rush, 16th in the nation among teams with at least 350 carries and FSU's most in a season since 2015. Florida State topped 400 yards of total offense in five of the last seven games, including more than 500 yards of total offense twice, and produced FSU's first game with at least 250 yards rushing and passing since 2016.

Norvell's teams are known for elite special teams play, and that was on display in his first season with the Seminoles. Florida State tied for second in the NCAA with five blocked kicks, including two blocked field goals, two blocked punts and one blocked PAT. FSU was one of only two teams in the country to block multiple field goals and multiple punts in 2020. Additionally, the Seminoles ranked 16th in the nation in net punting average.

The team posted a program-record 3.310 grade-point average in the spring 2025 semester, following a fall-record 3.095 in the fall of 2024. The overall semester GPA record bested the 3.127 earned in Norvell's first semester at FSU, setting an immediate indication of the importance Norvell places on academics in his program. Florida State has produced 95 Academic All-ACC

selections under Norvell, highlighted by 30 academic all-conference honorees in 2024, the fifth-highest total in the ACC. FSU's multi-year Academic Progress Rate of 993 released in May of 2026 set a program high for the fourth straight year, and football also achieved its first perfect APR season in the 2026 report. As another public signal, 345 different players have earned a Seminole Scholar patch on their uniform as part of a program Norvell introduced to recognize academic achievement.

Before taking the Florida State job, Norvell spent the previous four seasons as the head coach at Memphis, compiling a record of 38-15, including the 2019 American Athletic Conference championship and a spot in the New Year's Six Cotton Bowl. His 71.7 winning percentage is the highest in Memphis history. Memphis was the first school to appear in three straight American Athletic Conference Championship Games, and Norvell is one of 17 head coaches in any conference to appear in three straight conference championship games. He is also one of only eight to make three conference championship game appearances in their first four years as a head coach.

Memphis was one of three FBS teams to rank in the top-15 nationally in scoring offense every year from 2016-19, along with Ohio State and Oklahoma. Memphis shined on special teams under Norvell as the Tigers were one of only two schools with at least one kickoff return touchdown each year from 2016-19, and their 11 kickoff return touchdowns over that span were the most in the nation. The 2019 team ranked second in the country in special teams efficiency by ESPN, trailing only Penn State which hired Norvell's special teams coordinator prior to the 2019 season.

The Tigers' defense wreaked havoc on opponents, forcing 99 total takeaways and averaging 6.8 tackles for loss per game. Memphis was one of only six FBS teams with multiple defensive touchdowns every year from 2016-19.

In 2019, Norvell led Memphis to a school-record 12 wins and the program's first outright conference championship since 1969. The first coach in Memphis history with two 10-win seasons, Norvell produced two of the five 10-win seasons at the school and holds program records with eight wins in his first season, 18 over his first two, 26 in his first three and 38 in his first four seasons. He also holds the school record for the most wins over a three-year span with 30 victories from 2017-19 to bypass his 26 wins from 2016-18.

The 2019 Tigers produced a program-record 14 all-conference selections, including co-Special Teams Player of the Year Antonio Gibson and Rookie of the Year Kenneth Gainwell, in addition to Mortell Award winner Preston Brady as the national holder of the year. Gibson's average of 28.8 yards per kickoff return ranked sixth in the country, while Gainwell ranked ninth with 150.54 all-purpose yards per game and 12th with an average of 6.42 yards per rush. Brady White, named a finalist for the Manning Award and Johnny Unitas Award, ranked in the top-20 in FBS in passing yards per completion, yards per attempt, passing efficiency, passing touchdowns, passing yards per game and points responsibility. He had a streak of 11 straight games with at least two passing touchdowns, tied for the longest streak in AAC history, and was one of five quarterbacks in the nation with at least 11 multiple-touchdown games.

In 2018, Norvell's team boasted the fourth-best rushing attack in the nation, averaging 279.9 yards per game with a school-record 3,919 total rushing yards and 48 touchdowns on the ground. He produced the first season in Memphis history with two 1,000-yard rushers, led by Doak Walker Award finalist and unanimous All-American Darrell Henderson. Henderson broke the NCAA career record with an average of 8.22 yards per carry, and his 2018 average of 8.92 yards per carry was the highest for a season with a minimum of 200 carries in records dating back to 2000.

The 2017 team averaged 45.5 points per game, the second-highest average in the country, and ranked fourth in the NCAA with 523.1 yards per game and 7.35 yards per play. That year, Memphis forced 31 takeaways, good for third in the country, and ranked third with a turnover margin of plus-1.15 per game. The team's average of 26.02 yards per kickoff return also ranked fourth. Anthony Miller earned consensus All-America honors after leading the NCAA with 18 receiving touchdowns and ranking third in the country with 96 receptions and 1,462 yards.

In his first year at the helm, Norvell immediately put his stamp on the program. Memphis ranked second in kickoff return defense, allowing only 16.04 yards per return, while boasting the nation's fifth-best kickoff return average of 26.57 yards per return. The Tigers were the only team to rank in the top-17 of both categories in 2016. Memphis also forced 29 takeaways, the fifth-highest total in the country, and ranked in the top-15 in scoring offense, averaging 38.8 points per game, and passing offense at 304.4 yards per game.

The Tigers flourished academically under Norvell as well, posting single-year APR scores of 991 in 2018-19, 988 in 2017-18 and 976 in 2016-17. Under his guidance, the football team earned its highest grade-point average in program history in the fall of 2017. Through his first three years, 55 players earned their bachelor's degree, including eight on the 2019 team.

Norvell took over at Memphis after four years as the offensive coordinator and quarterbacks coach at Arizona State. The Sun Devils averaged 38.1 points per game and scored nearly 2,000 points in his four seasons. His 2014 offense gained 5,750 yards, 3,556 of those through the air, and ranked 13th in the nation with 34 touchdown passes. The 2013 team's average of 39.7 points per game ranked 10th nationally.

Norvell spent one year as Pitt's co-offensive coordinator, wide receivers coach and director of recruiting. From 2007-10 he coached wide receivers at Tulsa, adding passing game coordinator duties in 2009 and director of recruiting responsibilities in 2010. The Golden Hurricane had five 1,000-yard receivers under Norvell's leadership, led by All-American Damaris Johnson. Johnson broke the NCAA record for career all-purpose yards with 7,796 and is one of four players in NCAA history with three seasons of at least 2,000 all-purpose yards.

Norvell was a four-year letterwinner at Central Arkansas and was inducted into the UCA Sports Hall of Fame in 2015. He broke the school record with 213 career receptions and was second on the program's all-time list with 2,611 receiving yards and an average of 4.6 catches per game. He helped lead the Bears to 33 wins in his four years, including an 11-3 mark in 2005. The next year, he began his coaching career as a graduate assistant at his alma mater.

Norvell earned two degrees from Central Arkansas, completing his bachelor's degree in social science in 2005 and his master's degree in training systems in 2007. Norvell and his wife, Maria, have a daughter, Mila.

TONY WHITE
DEFENSIVE COORDINATOR

Experience: 2nd Season at FSU | 20th Season as collegiate coach
Hometown: El Paso, Texas | Alma Mater: UCLA, 2002
Family: wife, Angela; son, Anthony III; daughter, Ava

Tony White enters his second season as Florida State's defensive coordinator in 2026 after being hired on December 5, 2024.

White, a two-time Broyles Award nominee for the nation's best assistant coach, has produced four top-25 defenses in six seasons as a defensive coordinator, including four consecutive at Syracuse and Nebraska from 2021-24. White's defense has held 31 teams to 20 points or fewer over the past five years, with 26 games allowing less than 100 rushing yards in that span. His recruiting acumen has been recognized with three Recruiter of the Year awards.

In White's first season at Florida State, the Seminoles had a top-30 defense and improved across the board from 2024, producing a better scoring defense, passing defense, rushing defense, total defense, third-down defense and red zone defense, while also increasing takeaways, interceptions and sacks from the season prior. Second-team All-ACC selection Earl Little Jr. was one of two players in the ACC with at least 75 tackles and four interceptions, and Florida State was one of nine teams nationally to have three players record at least three interceptions on the season.

FSU held six opponents under 100 rushing yards, including both of its ranked opponents in No. 8 Alabama and No. 3 Miami. In the win over the Crimson Tide, FSU surrendered just 1.7 yards per carry after the opening drive.

White came to Florida State after two seasons as the associate head coach and defensive coordinator at Nebraska. He made an immediate impact on the Huskers in his first season by directing the program's best defensive season since joining the Big Ten more than a decade earlier. Nebraska allowed only 92.9 rushing yards per game, the eighth-best rushing defense in the country in 2023 and the best at Nebraska this century, while also ranking 11th nationally in total defense and 13th in scoring defense.

In 2024, he followed that up with another top-20 defensive performance as the Huskers ranked 14th in rushing defense, 19th in total defense and 20th in scoring defense. Nebraska held five opponents to 10 or fewer points and six opponents to fewer than 300 yards of total offense, including limiting Ohio State to 285 yards when the Buckeyes entered the game averaging more than 500 yards of total offense. The Huskers allowed only six rushing touchdowns, the third-fewest in the nation, and held 10 opponents without a rushing touchdown, including all seven at home. Nebraska was the first team nationally since 2021 to not allow a rushing touchdown at home and kept all its home opponents out of the end zone on the ground for the first time since 1939.

White was the defensive coordinator at Syracuse from 2020-22, where he tutored four Freshman All-Americans and 13 All-ACC selections. The Orange were one of 12 teams to rank in the top 25 nationally in total defense in both 2021 and 2022 after the 2021 team improved 93 spots to 19th in the national total defense rankings. The 2022 team allowed 184.8 passing yards per game to rank 14th in the country while also ranking 21st nationally in total defense and helping Syracuse reach a bowl game for the first time since 2018.

Before his time at Syracuse, White was Arizona State's defensive passing game coordinator and cornerbacks coach in 2018 and 2019. He helped the Sun Devils to a dramatic improvement in pass defense and aggressive play, as the 2019 team's average of 5.54 passes defended per game was No. 7 in the country and its 13 interceptions were the country's 25th-highest total. White served as the interim defensive coordinator in the Sun Bowl when Arizona State forced six takeaways, including an interception return touchdown for the game-winning points, and recorded 10 tackles for loss.

White coached cornerbacks at San Diego State from 2009-17 and added recruiting coordinator duties for his final six years, helping the Aztecs win three conference championships and play in eight bowl games. San Diego State led the country with 26 interceptions in 2016 one season after grabbing 23 interceptions to rank second nationally. The 2014 and 2015 teams both ranked in the top 10 in the country in pass efficiency defense, posting the nation's No. 3 mark in 2014 and No. 10 in 2015. In 2017, the Aztecs had the nation's 15th-best pass defense, allowing only 178.7 passing yards per game.

His tenure at San Diego State included eight all-conference honors from his cornerbacks, led by 2015 and 2016 Mountain West Defensive Player of the Year Damontae Kazee. Kazee, the first cornerback to win the conference's Defensive Player of the Year honor twice, was also a second-team All-American in 2015 and has played nine seasons in the NFL with the Falcons, Cowboys, Steelers and Browns through the 2025 season. White was named Mountain West Recruiter of the Year twice by Scout.com and the nation's best non-P5 recruiter by Rivals in 2014.

White spent the 2008 season as the linebackers coach at New Mexico, helping the Lobos rank 26th nationally in rushing defense behind two all-conference linebackers, after spending the 2007 season as a graduate assistant at UCLA. White began his coaching career in 2006 as the head coach at St. Genevieve High School in California and led the Valiants to a 3-1 league record in his only season at the helm.

White earned his bachelor's degree in history from UCLA in 2002. He was a three-year starter at linebacker and a team captain in 2000, helping the Bruins win 30 games and appear in the Rose Bowl, Cotton Bowl and Sun Bowl during his four years. White and his wife, Angela, have one son, Anthony III, and one daughter, Ava.

TIM HARRIS JR.

OFFENSIVE COORDINATOR/WIDE RECEIVERS

Experience: 2nd Season at FSU | 12th Season as collegiate coach
Hometown: Miami, Fla. | Alma Mater: Miami, 2008
Family: wife, Nikki; son, Trey and daughter, Tailor

Miami native and veteran coach Tim Harris Jr., is in his second season coaching Florida State's wide receivers and first as offensive coordinator in 2026.

In his first season at Florida State, Harris was FSU's pass game coordinator and wide receivers coach. He helped develop an offense that led the ACC in total offense, rushing offense, third-down offense and yards per completion. The Seminoles ranked in the top 15 nationally in all four categories, placing fourth with 15.21 yards per completion, sixth in total offense with an average of 472.1 yards per game, eighth with a third-down percentage of 50.9, and 11th in rushing offense after averaging 218.7 yards per game on the ground.

Harris' group, led by first-team All-ACC selection and Biletnikoff Award semifinalist Duce Robinson, showcased remarkable playmaking ability in 2025. Robinson caught 56 passes for 1,081 yards and six touchdowns, posting the ninth-highest single-season receiving yards total in program history. Robinson also produced the 14th 1,000-yard season in program history and became only the 11th different FSU receiver to reach the 1,000-yard milestone in a season. He led the ACC in 30- and 40-yard receptions, and his average of 19.3 yards per reception ranked second in the conference, behind only teammate Micahi Danzy.

In addition to Robinson, Danzy and other young receivers showed impressive development. Danzy made 27 receptions for 571 yards and three touchdowns through the air and added 227 yards and three touchdowns on 12 rushing attempts. Danzy led the ACC and ranked fourth nationally with an average of 21.2 yards per reception, and he joined Peter Warrick as the only FSU wide receivers with three rushing touchdowns and three receiving touchdowns in the same season. Robinson and Danzy were responsible for eight individual 100-yard receiving games in 2025.

Harris spent three years at UCF, serving as offensive coordinator and wide receivers coach in 2024 and was the Knights' co-offensive coordinator for the 2021 and 2022 seasons. He served as the offensive coordinator at FIU in 2020. Harris also has experience as the offensive coordinator and head coach at Booker T. Washington High School in Miami.

In 2024, Harris coordinated the nation's No. 7 rushing offense and No. 16 total offense as the Knights averaged 248.1 yards per game on the ground, the highest average in the Big 12, and 447.8 yards of total offense per game. In addition to leading the Big 12 in rushing, UCF also ranked in the top five of the conference in total offense, first downs gained and passing yards per completion.

First-team All-Big 12 running back RJ Harvey shined with Harris coordinating the offense. Harvey ranked in the top five nationally in all-purpose yards, points per game, rushing yards per game, rushing touchdowns, total touchdowns and points scored per game. Wide receiver Kobe Hudson's average of 16.38 yards per reception was the conference's seventh-highest average.

Harris spent the 2023 season as Miami's running backs coach. The Hurricanes averaged 176.8 rushing yards per game and reached 200 yards on the ground five times. In 2022, as co-offensive coordinator and running backs coach at UCF, he helped the Knights reach the AAC Championship Game with an offense that averaged 469.6 yards per game, the nation's 16th-highest average, and ranked seventh in the country with an average of 228.4 rushing yards per game. That year, second-team all-conference performer Isaiah Bowser's 16 rushing touchdowns were second in the conference and 14th in the country.

In 2021, Johnny Richardson averaged 96.9 all-purpose yards per game to rank seventh in the conference. Bowser capped the 2021 season by rushing for 155 yards and two touchdowns as part of a 288-yard rushing performance by the Knights in their win over Florida in the Gasparilla Bowl.

Harris spent the 2015-20 seasons on staff at Florida International, first as running backs coach and then as offensive coordinator. He helped oversee the best stretch in FIU history as the Panthers won a program-record nine games, including the Bahamas Bowl, in 2018 one season after tying the previous record with eight wins in 2017. FIU qualified for a bowl game every year from 2017-19, the longest streak in program history. The 2019 team earned FIU's third straight bowl trip with a 30-24 win over Miami, the first win over an ACC team in school history.

In 2020, with Harris serving as offensive coordinator and running backs coach, D'vonte Price led the conference with his average of 6.84 yards per carry and ranked 11th nationally with an average of 116.2 rushing yards per game. The 2019 offense was paced by future NFL running backs Anthony Jones and Napoleon Maxwell. Jones produced three consecutive 100-yard rushing games, only the second such streak in program history, and Jones and Maxwell both broke the 100-yard mark in a win over Charlotte. It was only the seventh time FIU produced two 100-yard rushers in the same game and the fifth time it occurred under Harris' leadership.

FIU's 2018 offense was one of the most successful rushing attacks in Conference USA. The Panthers scored a school-record 27 rushing touchdowns and broke the single-season program record by averaging 4.8 yards per rush while posting a top-three ranking in the conference in total rushing yards, rushing yards per game, rushing touchdowns and yards per rush. The 2017 offense gained 5,100 total yards and scored 333 points, both the second-highest totals in program history, and led the NCAA with a 97.6 percent scoring rate in the red zone.

Before beginning his collegiate coaching career, Harris spent six seasons at Booker T. Washington High School in Miami. As the head coach in 2014, he led the Tornadoes to a perfect 14-0 record, the 4A state championship and a No. 2 national ranking by USA Today. He was named the Florida Dairy Farmers Football Coach of the Year, the Miami Dolphins George Smith South Florida High School Football Coach of the Year, the Nike Football State Coach of the Year and a finalist for the U.S. Army All-American National Coach of the Year.

Harris was Booker T. Washington's offensive coordinator from 2009-13. He helped the Tornadoes win state titles in 2012 and 2013 and earn the national championship in 2013 with an offense that averaged 41.9 points per game. He also served as the head track and field coach from 2010-14, leading Booker T. Washington to the 2A state championship in 2014 after a runner-up finish in 2013. He was named the 2013 Miami-Dade County Boys Track & Field Coach of the Year.

Harris was a four-time All-American and six-time ACC champion while competing for Miami's track and field team. He still holds the program's indoor 800-meter record and was inducted into the University of Miami Sports Hall of Fame in 2022.

Harris earned his bachelor's degree in liberal arts with a concentration in English and creative writing from Miami in 2008.

CHRIS THOMSEN
DEPUTY HEAD COACH/TIGHT ENDS

Experience: 7th Season at FSU | 30th Season as collegiate coach
Hometown: Vernon, Texas | Alma Mater: TCU, 1993; Abilene Christian, 2000
Family: wife, LeAnn

Chris Thomsen was named Florida State's deputy head coach and tight ends coach on December 19, 2019, and enters his seventh season in Tallahassee in 2026.

Thomsen has coached 118 different all-conference players who have combined for 186 all-conference recognitions as well as 25 individual All-Americans who have earned 38 All-American certificates, including 13 first-team selections.

Randy Pittman Jr. was an honorable mention All-ACC selection in 2025 after catching 23 passes for 208 yards and two touchdowns. Pittman also added three rushing touchdowns and passed for one score to solidify himself as one of the nation's most versatile players. At Virginia, Pittman became the third player in FSU history to throw, catch and run for a touchdown in the same game. He is just the second tight end in the past 30 years to accomplish the feat.

Florida State tight ends set an FSU record with a touchdown catch in five consecutive games. The unit also blocked for an offense that ran for 218.7 yards per game, the Seminoles' highest per-game average since 1995. FSU's offense ranked sixth nationally with 472.1 total yards per game.

Thomsen oversaw the development of true freshmen tight ends Landen Thomas and Amaree Williams in 2024. In consecutive weeks, both players caught a touchdown for their first career reception, FSU's first true freshmen tight ends with a touchdown since 2011. Four different tight ends started at least one game in 2024, and the group combined for 33 receptions, 396 yards and three touchdowns.

The 2023 team completed a 13-0 regular season that culminated in the program's 16th ACC championship with a victory over No. 14 Louisville in the ACC Championship Game and earned a berth in the Orange Bowl behind an offense that led the conference in scoring for the second consecutive year. Florida State's 34.6 points-per-game average ranked 19th overall in the country, and the Seminoles also led the ACC with 61 total touchdowns scored, 32 rushing touchdowns and an average of 13.5 yards per completion while posting the conference's fewest interceptions thrown and total turnovers.

Florida State's tight ends made huge contributions in the passing attack while helping anchor a strong running game. Jaheim Bell, who was selected by the New England Patriots in the 2024 NFL Draft, earned second-team All-ACC honors in his first season under Thomsen's tutelage after catching 39 passes for 503 yards and two touchdowns plus one rushing touchdown. Bell made a career-high eight catches in FSU's win over No. 16 Duke and scored one receiving and one rushing touchdown in the season-opening victory over No. 5 LSU. Kyle Morlock appeared in all 14 games with 11 starts and made 19 receptions for 255 yards, including a career-long 63-yard catch at Pitt, in his first season after transferring from Division II Shorter College.

During his first three seasons, Thomsen elevated the tight end position into a play-making group contributing valuable receptions and powerful blocking. In 2022, his group helped lead FSU to a 10-3 record and a final ranking of No. 10 in the Coaches Poll and No. 11 in the AP poll. Florida State led the nation with its average of 7.46 plays of 20-plus yards per game, the program's highest season average since the 2013 national championship, and was third in the country with an explosive play rate of 17.15 percent. The Seminoles were one of two teams nationally to average at least 270 passing yards and at least 210 rushing yards per game in 2022. FSU also tied for the national lead with eight touchdown drives of 90-plus yards, and its 16 touchdown drives of 80-plus yards were third-most in the country.

The Seminoles led the ACC in third-down offense, yards gained per pass, yards gained per play, yards gained per rush, total offense per game, yards per completion, rushing offense per game and scoring offense per game. Florida State was the first team to lead the ACC in scoring and total offense in the same season since 2019 and was one of two teams nationally to lead its conference in yards per rush, yards per pass and yards per play in 2022. Three different tight ends caught a touchdown pass in 2022, including two scoring their first collegiate touchdown, and two tight ends made receptions for two-point conversions. The group combined for 39 catches for 529 yards and four touchdowns.

In 2021, Camren McDonald was named to the 2021 Allstate Good Works Team and to the Mackey Award Watch List. He caught 24 passes for 243 yards and two touchdowns and provided the highest production for an FSU tight end since 2018 NFL Draft pick Ryan Izzo. Redshirt senior Jordan Wilson returned from an injury to make 11 receptions for 132 yards. The tight ends also blocked for a running game that featured six 200-yard rushing games and seven individual 100-yard performances in 2021.

In his first year at Florida State, Thomsen developed a versatile tight end group led by McDonald, who started all nine games and made 23 catches for 263 yards and two touchdowns. McDonald's first career score came at No. 12 Miami and his second proved to be the winning points in FSU's 31-28 victory over No. 5 North Carolina. Additionally, freshman walk-on Preston Daniel had a 36-yard catch in the win over the Tar Heels and sophomore Wyatt Rector scored a rushing touchdown against Pitt after the former quarterback took a snap under center and scored from the one-yard line.

The tight end group also blocked for a vastly improved rushing attack in 2020. The Seminoles averaged 199.9 rushing yards per game, the program's highest since 2016 and 20th nationally among teams that

played at least nine games in 2020, and 5.11 yards per rush, 16th in the nation among teams with at least 350 carries and FSU's most in a season since 2015. Florida State topped 400 yards of total offense in five of the last seven games, including more than 500 yards of total offense twice, and produced FSU's first game with at least 250 yards rushing and passing since 2016.

Thomsen came to Tallahassee following three years coaching the offensive line at TCU, his alma mater. He was the head coach at Abilene Christian from 2005-11 and also brought experience as an assistant at Arizona State, Texas Tech and Central Arkansas.

During his three years at TCU, Thomsen directed one of the top offensive lines in the country and coached five all-conference performers. The Horned Frogs led the Big 12 in fewest sacks allowed in each of his first two seasons, averaging 1.23 sacks allowed per game in 2018 and 1.29 in 2017 to rank 14th and 19th, respectively, in the country. The 2019 line paved the way for the Horned Frogs to average 204.0 rushing yards per game.

Thomsen made an immediate impact in the 2017 season as the Horned Frogs played in the Big 12 Championship Game and won 11 games behind an offensive line that placed all four seniors into the NFL. Joseph Noteboom was drafted in the third round by the Los Angeles Rams, while Matt Pryor was a sixth-round pick by the Philadelphia Eagles. Additionally, Patrick Morris and Austin Schlottmann signed free-agent contracts and both made the Denver Broncos active roster.

Thomsen mentored Lucas Niang, a 2020 third-round pick by the Kansas City Chiefs, to All-Big 12 honors in 2018 after the junior started all 13 games and did not allow a sack the entire season. Niang was a preseason All-Big 12 selection and had started 27 career games at right tackle before undergoing season-ending surgery in October of 2019. The 2019 season featured an offensive line blocking for the sixth-best red zone offense in the country, led by senior guard Cordel Iwuagwu returning from an injury that cost him most of 2018 to earn All-Big 12 accolades. Iwuagwu and linemate Anthony McKinney were signed by the Houston Texans and Tennessee Titans, respectively.

Thomsen was the assistant head coach and offensive line coach at Arizona State from 2013-16, spending the first three years with Sun Devils' offensive coordinator Mike Norvell and helping lead ASU to the 2013 Pac-12 Championship Game. Their 2014 offense gained 5,750 yards, 3,556 of those through the air, and ranked 13th in the nation with 34 touchdown passes. The 2013 team's average of 39.7 points per game ranked 10th nationally.

Thomsen coached five different Sun Devil linemen to All-Pac 12 recognition. Three of his linemen were drafted as Jamil Douglas was a fourth-round pick by the Miami Dolphins in 2015, Christian Westerman went to the Cincinnati Bengals in the fifth round of the 2016 NFL Draft and Sam Jones was a sixth-round selection by the Denver Broncos in 2018. Additionally, Quinn Bailey was a rookie with the Broncos in 2019 and Cohl Cabral was a 2020 signee by the Los Angeles Rams.

Prior to his time in Tempe, Thomsen spent the 2012 campaign as the offensive line coach at Texas Tech. That year, Texas Tech led the Big 12 and ranked second nationally in passing with an average of 355.9 yards per game. He was named interim head coach for the Meineke Car Care Bowl of Texas and led the Red Raiders to a 34-31 win over Minnesota. He coached Indianapolis Colts third-round pick Le'Raven Clark and free-agent signee LaAdrian Waddle who started as a rookie in 2013 for the Detroit Lions and played seven seasons in the NFL.

During Thomsen's time as the head coach at Abilene Christian, he led the Wildcats to a 51-21 record and six straight trips to the Division II playoffs with the 2008 team advancing to the quarterfinal round. He was a four-time Lone Star Conference Coach of the Year, receiving the honor in 2006, 2007, 2008 and 2010. ACU won Lone Star Conference championships in 2008 and 2010, winning 11 games both seasons. Prior to his arrival, the Wildcats had never played in the Division II playoffs and had not won a conference championship since 1977.

In the second round of the 2008 playoffs, Thomsen led ACU to a win in the highest-scoring game in NCAA history. His team defeated West Texas A&M 93-68 as the teams combined to break 45 Division II records. That year, the Wildcats led the NCAA with 558.8 yards per game and 52.3 points per game. In 2007, Abilene Christian ranked first in Division II with an average of 49.2 points per game and second with 544.8 yards per game.

Thomsen had five draft picks at Abilene Christian. Danieal Manning was picked in the second round of the 2006 NFL Draft by the Chicago Bears, the first non-Division I player taken in 2006 and the highest ACU pick since 1977. Johnny Knox was a fifth-round selection by Chicago in 2009 and Bernard Scott, who earned the Harlon Hill Trophy as Division II's MVP in 2008, was taken in 2009's sixth round by the Cincinnati Bengals. Clyde Gates was a fourth-round pick by the Miami Dolphins in 2011, and Daryl Richardson was taken in the seventh round by the St. Louis Rams in 2012. He also helped develop wide receiver Taylor Gabriel, who had more than 2,000 career receiving yards in six NFL seasons, and running back Charcandrick West, who played five seasons with the Kansas City Chiefs.

Before becoming the head coach at Abilene Christian, Thomsen served as Central Arkansas' offensive line coach and recruiting coordinator in 2003 and 2004. He began his coaching career in 1994 as a graduate assistant at Abilene Christian, before spending two seasons as the offensive line coach and one as the defensive line coach. He was named the Wildcats' offensive coordinator in 1998. After spending one season away from football, he got back into coaching as the offensive coordinator at Wichita Falls High School in 2001 and 2002.

Thomsen played football and baseball at TCU, lettering for the Horned Frogs on the gridiron from 1988-90 and on the diamond in 1991. During his lone season with the baseball team, he earned All-Southwest Conference, All-America and TCU Male Athlete of the Year honors after nearly hitting for the triple crown. He led the SWC with 21 home runs and 70 RBI, while his .373 batting average was second in the conference. Thomsen was selected in the 17th round of the Major League Baseball Draft by the Oakland Athletics and played two seasons in Oakland's minor league system.

After retiring from baseball, he returned to play one season on the football team at Abilene Christian. He was a second-team All-American and first-team All-Lone Star Conference tight end for the Wildcats in 1993.

Thomsen earned his bachelor's degree in criminal justice from TCU in 1993 and completed a master's degree in secondary education from Abilene Christian in 2000.

BLUE ADAMS
CORNERBACKS

Experience: 1st Season at FSU | 14th Season as collegiate coach
Hometown: Miami, Fla. | Alma Mater: Cincinnati, 2003

Blue Adams was hired as Florida State's cornerbacks coach on December 20, 2025, and enters his first season with the Seminoles in 2026.

Adams, who is from Miami and played at Miami Senior High School, brings 16 years of coaching experience following a six-year NFL playing career. He most recently was the defensive backs coach at Michigan State and also has experience with the Miami Dolphins and at South Florida, Oregon State, West Virginia, Purdue and Northern Iowa. He has overseen the development of four NFL Draft picks, two All-Americans and 24 all-conference selections.

Adams spent the 2024 and 2025 seasons as the secondary coach at Michigan State. In his first season in East Lansing, Adams oversaw the development of All-Big Ten cornerback Charles Brantley. Brantley, from Sarasota, ranked second in the conference in interceptions per game and passes defended per game, and his 101 interception return yards were the conference's fourth-highest total. The 2025 secondary was led by Malik Spencer, a Georgia native who posted a team-high six pass breakups and totaled 52 tackles.

Prior to his time at Michigan State, Adams was the secondary coach at Oregon State for five years. He helped the Beavers post winning records and reach a bowl game in each of his final three years, the program's longest streak of winning seasons since 2006-09. While at Oregon State, Adams developed 14 all-conference performers, a first-team All-American and three NFL Draft picks.

In 2023, Oregon State ranked third in the Pac-12 with 12 interceptions and had the conference's fifth-best passing defense, allowing 236.2 yards per game through the air with only two passing plays of more than 50 yards, the second-lowest total in the conference. That year, his secondary was led by first-team All-American Kitan Oladapo who ranked fifth in the Pac-12 with nine passes defended and was selected by the Green Bay Packers in the fifth round of the 2024 NFL Draft. Additionally, true freshman Jermod McCoy also registered nine pass breakups, senior Jaden Robinson broke up eight passes, Ryan Cooper Jr. added seven pass breakups and junior Akili Arnold recorded six pass breakups as OSU tied for the Pac-12 lead having five players with at least six pass breakups.

The 2022 Oregon State defensive backfield produced the best pass efficiency defense in the Pac-12 and ranked 13th in the country in that category. That year's secondary was highlighted by first-team All-Pac-12 performer Rejzohn Wright and second-team all-conference selection Jaydon Grant and also included 2023 NFL Draft pick Alex Austin. Adams also coached third-round NFL Draft pick Nashon Wright, who was taken 99th overall in 2021 by the Dallas Cowboys to become the Beavers' highest-drafted defensive back since 2015 and only the seventh top-100 draft pick from the secondary in program history.

As the secondary coach at South Florida in 2017 and 2018, Adams helped the Bulls win 17 games and reach two bowl games while coaching two All-AAC performers. The 2017 defense led the American and ranked second in the country with 20 interceptions while also boasting the conference's best marks in pass efficiency defense, total defense and scoring defense. Devin Abraham's five interceptions ranked second in the conference, and Deatrick Nichols was second with 15 passes defended and 12 pass breakups.

At West Virginia, Adams coached All-American Rasul Douglas, who led the nation with eight interceptions and was a first-team All-Big 12 cornerback. After helping the Mountaineers to a 10-win season that ended with WVU ranked 18th in the country, Douglas was picked in the third round of the 2017 NFL Draft by the Philadelphia Eagles and won Super Bowl LII in his rookie season.

Adams coached three seasons in the NFL as the Miami Dolphins assistant defensive backs coach. Cornerback Brent Grimes was selected for the Pro Bowl in all three seasons he was coached by Adams, and Reshad Jones joined him at the Pro Bowl in 2015.

He began his coaching career as a graduate assistant at Purdue in 2010, where he worked with second-team All-Big Ten cornerback and fifth-round NFL Draft selection Ricardo Allen. Adams then moved to coach the secondary at Northern Iowa for two seasons, where he helped the Panthers win the 2011 Missouri Valley Conference title and advance to the quarterfinal round of the FCS Playoffs. Under Adams' leadership, cornerback Varmah Sonie earned all-conference honors in 2011 and 2012.

Adams was selected by the Detroit Lions in the 2003 NFL Draft. He appeared in 50 games over his six-year playing career, seeing action with the Jacksonville Jaguars, Tampa Bay Buccaneers and Cincinnati Bengals. He helped Tampa Bay win the NFC South in 2005 and appeared in all 16 games for the Buccaneers in 2006.

Adams was a four-year letterwinner at Cincinnati and earned second-team All-Conference USA honors his junior season. After helping the Bearcats reach three consecutive bowl games, he earned his bachelor's degree in criminal justice from Cincinnati in 2003.

EVAN COOPER
SAFETIES

Experience: 2nd Season at FSU | 6th Season as collegiate coach
Hometown: Miami, Fla. | Alma Mater: Temple, 2009
Family: wife, Andisha; son, Evan III; daughter, Madison

Evan Cooper, an NFL and college coaching veteran, enters his second season as Florida State's safeties coach in 2026 after being hired on December 7, 2024.

A Miami native who attended American Heritage, Cooper brings more than a decade of coaching experience and reunites with FSU defensive coordinator Tony White, who he was with at Nebraska in 2023, and defensive line coach Terrance Knighton, his college teammate and fellow coach with the Carolina Panthers and at Nebraska.

In his first season at Florida State, the Seminoles ranked second in the ACC with 190.8 passing yards per game allowed, a top-30 mark nationally. FSU held seven opponents under 200 passing yards and ended the season with three consecutive games allowing less than 200 yards.

Cooper's safeties tallied seven interceptions, with second-team All-ACC selection Earl Little Jr. catching four and Edwin Joseph grabbing three. Little led FSU with 76 tackles, four interceptions and two forced fumbles and was one of two players in the ACC with at least 75 tackles and four interceptions on the season.

Little, Joseph and safety Ashlynd Barker all made their first career starts in Cooper's first game at Florida State, a 31-17 win over No. 8 Alabama. Barker's 48 tackles were second on the team and he finished with 3.5 sacks on the season, the third-most for an FSU defensive back over the last 20 seasons.

Florida State was one of nine teams nationally to have at least three players with three interceptions. Little's four interceptions were the most for a Seminole since 2021 and his three-game streak with an interception was the longest at FSU since 2016.

The 2023 Nebraska defense, with Cooper serving as the defensive passing game coordinator and secondary coach, produced four All-Big Ten defensive backs. The quartet was led by Tommi Hill, whose 13 passes defended were the most in the conference. Hill also ranked third in the Big Ten with nine pass breakups while posting the conference's fifth-highest individual interceptions total.

The Huskers held opponents to only 6.1 yards per pass attempt, ninth-lowest in the country, and had the nation's 15th-best passing efficiency defense. Nebraska kept seven of 12 opponents to less than 200 passing yards, including two under 100 yards. The Huskers allowed only 92.9 rushing yards per game, the No. 8 rushing defense in the country and the best at Nebraska this century, while also ranking 11th nationally in total defense and 13th in scoring defense. Hill led the team with 85 tackles and fellow defensive back Omar Brown tied for second among Huskers with 51 tackles.

Cooper was the Carolina Panthers' cornerbacks coach and director of player evaluation from 2020-22. In 2021, Carolina had the NFL's No. 2 total defense, allowing 305.9 yards per game. Cooper's cornerbacks contributed to the league's No. 4 pass defense, holding opponents to only 192.1 passing yards per game, and the fifth-lowest completions allowed total in the NFL.

Cooper spent three seasons at Baylor and helped lead a major transformation in the program that resulted in a trip to the Sugar Bowl in his last year in Waco. He spent the 2017 season as the Bears' director of player personnel before joining the on-field staff working with the secondary and defensive line in 2018. In 2019, he was promoted to cornerbacks coach and recruiting coordinator and helped the Bears post an 11-3 record with an appearance in the Big 12 Championship Game and Sugar Bowl. That year, Baylor's 17 interceptions ranked fifth in the country and contributed to a group that ranked 18th nationally in pass efficiency defense and 19th in scoring defense.

After a brief stint as the assistant director of player personnel at Miami early in 2015, Cooper was hired as Temple's director of player personnel. He served in that role in 2015 and 2016, helping the Owls reach 10 wins both years and qualify for bowl games in consecutive seasons for the first time in program history. The 2016 team also won the AAC, Temple's first conference title in 48 years, by defeating No. 19 Navy in the conference championship game.

Cooper began his coaching career as the defensive backs coach for Westminster Academy in Fort Lauderdale for the 2011 and 2012 seasons. He then accepted a graduate assistant position at Temple in 2013 and moved to the role of director of external operations for the Owls in 2014.

Cooper was a four-year letterman at defensive back for Temple and earned his bachelor's degree in sport and recreational management from Temple in 2009. He and his wife, Andisha, have one son, Evan III, and one daughter, Madison.

HERB HAND
OFFENSIVE LINE

Experience: 2nd Season at FSU | 36th Season as collegiate coach
Hometown: Westmoreland, N.Y. | Alma Mater: Hamilton College, 1990; West Virginia Wesleyan, 1993
Family: wife, Debbie; sons, Trey and Cade; daughter, Bailey

Renowned offensive line coach Herb Hand was named Florida State's offensive line coach on December 10, 2024, and enters his second season at Florida State in 2026.

In 2025, Hand reunited with Florida State head coach Mike Norvell, who he coached with at Tulsa from 2007-09. Hand has coached offensive lines that blocked for rushers that broke the program's career rushing records at West Virginia, Tulsa and Vanderbilt and, most recently, helped RJ Harvey post the second-highest career rushing total in UCF history.

Hand has produced a top-15 rushing offense and top-20 total offense in four consecutive seasons after the Seminoles ranked No. 6 nationally in total offense and 11th in rushing offense in 2025. FSU led the ACC with 472.1 yards per game and 218.7 rushing yards per game, the Noles best rushing output since 1995. Starting center Luke Petitbon earned first-team All-ACC honors, the first Seminole to earn that distinction since 2013.

Petitbon was named the Outland Trophy National Player of the Week after FSU's 31-17 win over No. 8 Alabama, when FSU ran for 230 yards and four touchdowns against the Crimson Tide. Petitbon earned ACC Offensive Lineman of the Week honors against the Tide, and right guard Adrian Medley won ACC honors the following week in FSU's 77-3 win over East Texas A&M, when FSU passed for 368 yards and ran for 361 yards.

Hand's offensive line in 2025 consisted of four one-year transfers that were blocking for a first-year quarterback. The results produced the best single-season turnaround in the country, as FSU had the most-improved total offense, yards per play, third-down offense, scoring offense and passing yards per attempt in 2025 compared to 2024.

Along with Petitbon on the first team, left guard Richie Leonard IV earned All-ACC honorable mention while also being named to the Allstate AFCA Good Works Team, which annually recognizes the nation's top community service participants.

A model of consistency, FSU started just six offensive linemen in 2025: Petitbon, Medley and left tackle Gunnar Hansen started all 12 games; Leonard and right tackle Micah Pettus started 11 games; and sixth-man Jacob Rizy started twice, one game each in place of Pettus and Leonard. The unit did not allow a sack in three games, FSU's most in a season since 2022.

Behind Hand's offensive line, Florida State set school single-game records with 498 rushing yards, eight rushing touchdowns and 27 rushing first downs in FSU's 66-10 win over Kent State. FSU's 775 total yards and 498 rushing yards were the most in the country in 2025.

Prior to Florida State, Hand brought 25 years of coaching experience at the FBS level, with stops at Clemson, West Virginia, Tulsa, Vanderbilt, Penn State, Auburn, Texas and UCF. He has been part of six conference championship teams and three more that won division crowns, and he has coached 40 all-conference performers.

Hand coached eight all-conference linemen while helping UCF produce a top-10 rushing attack in each of his last three seasons in Orlando. The Knights ranked seventh in 2024 with an average of 248.1 yards per game after ranking fourth in 2023 and ninth in 2022. The 2023 team also was eighth in the country in total offense, averaging 487.0 yards per game, fourth in third-down conversion percentage and eighth in passing yards per completion.

UCF's 2024 offense ranked 16th nationally in total offense behind first-team All-Big 12 running back RJ Harvey who ranked in the top five nationally in all-purpose yards, points per game, rushing yards per game and rushing touchdowns. Hand wrapped up his first season in Orlando with 288 rushing yards in a win over Florida in the 2021 Gasparilla Bowl before helping the Knights reach the 2022 AAC Championship Game with an offense that averaged 469.6 yards per game to rank 16th in the country in total offense.

His time at Texas produced nine All-Big 12 linemen that helped the Longhorns earn three bowl wins, including a victory over No. 6 Georgia in the Sugar Bowl to conclude the 2018 season. In 2020, left tackle Samuel Cosmi earned first-team all-conference and third-team All-America accolades before being selected in the second round of the 2021 NFL Draft.

Hand worked for two seasons at Auburn, where he produced a Joe Moore Award finalist unit in 2017 led by first-team All-American and the conference's Jacobs Blocking Trophy winner Braden Smith. The line also blocked for running back Kerryon Johnson, the SEC's Offensive Player of the Year and a second-team All-American. That year, the Tigers were one of five teams in the country to average at least 230 passing yards and 215 rushing yards per game and also broke the school's single-season record by scoring at least 40 points in eight games. The 2016 Auburn offensive line featured two All-Americans and three All-SEC selections. Running back Kamryn Pettway ranked 11th in the country with his SEC-best average of 122.4 rushing yards per game.

Before his time at Auburn, Hand spent two seasons as Penn State's run game coordinator and offensive line coach. In 2015, his group paved the way for Big Ten Freshman of the Year Saquon Barkley to break the program's freshman rushing record with 1,076 yards on the ground. Hand's first season in Happy Valley produced second-round NFL Draft pick Donovan Smith who went on to a nine-year NFL career that included wins in Super Bowl LV with Tampa Bay and Super Bowl LVIII with Kansas City.

Hand coached the offensive line at Vanderbilt for four seasons from 2010-13 and added run game coordinator responsibilities in 2013. With Hand as the run game coordinator, the Commodores rushed for 34 touchdowns, including a single-season school-record 14 rushing scores by Jerron Seymour. Prior to Seymour's breakout performance, Hand's offensive line helped Zac Stacy break Vanderbilt records for rushing yards in a season and in a career.

Hand joined the Vanderbilt staff after three years at Tulsa. With Hand, Norvell and former Florida State offensive coordinator Gus Malzahn on staff, Tulsa put together the best offense in the nation. The 2007 offense averaged 543.9 yards and 41.1 points per game before improving to 569.9 yards and 47.2 points per game in 2008. Tulsa led the nation in total offense in 2007 and 2008 and ranked second nationally in scoring offense in 2008. In 2009, Hand and Norvell continued the run by marking the first time in program history the Golden Hurricane had a 1,000-yard receiver in three consecutive seasons.

Before his time at Tulsa, Hand was the tight ends coach and recruiting coordinator at West Virginia from 2001-06, helping the Mountaineers win three conference championships and earn five consecutive bowl appearances. The 2006 team finished 11-2 after defeating Georgia in the Sugar Bowl and produced an offense that ranked No. 2 nationally in rushing, No. 3 in scoring and No. 4 in total offense.

Hand began his collegiate coaching career as a graduate assistant coaching linebackers at West Virginia Wesleyan. He was then defensive coordinator at Glenville State from 1994-96, helping the Pioneers win three straight conference championships, before moving to Concord College as defensive coordinator and special teams coordinator in 1997 and 1998. He moved into FBS coaching as an offensive graduate assistant at Clemson in 1999 and 2000, helping the Tigers reach the Peach Bowl and the Gator Bowl.

Hand earned his bachelor's degree in history from Hamilton College in 1990 and completed his master's degree in business administration from West Virginia Wesleyan in 1993. He was a three-year starter on the offensive line at Hamilton College, where he also served as a team captain and earned All-New England Small College Athletic Conference honors in 1989.

Hand and his wife, Debbie, have two sons, Trey and Cade, and one daughter, Bailey.

TERRANCE KNIGHTON
DEFENSIVE LINE

Experience: 2nd Season at FSU | 6th Season as collegiate coach
Hometown: Windsor, Conn. | Alma Mater: Temple, 2009

Terrance Knighton enters his second season as Florida State's defensive line coach in 2026 after being hired on December 6, 2024.

Under Knighton's leadership in 2025, senior Darrell Jackson Jr. earned honorable mention All-ACC recognition after a career-high 45 tackles. True freshman Mandrell Desir was a Freshman All-American and runner-up for ACC Defensive Rookie of the Year after recording 30 tackles, 7.5 tackles for loss and 6.5 sacks, one forced fumble and one pass breakup.

Desir's 6.5 sacks were the most for an FSU true freshman since 2016, when current New York Giant Brian Burns had 9.5. Desir also ended his season with at least 0.5 sacks in five consecutive games, the first Seminole to do that since ACC Defensive Player of the Year DeMarcus Walker in 2016. Desir's sacks and TFL totals led all ACC freshmen.

Darryll Desir, Mandrell's twin brother, added 23 tackles, 1.0 sack and 1.5 tackles for loss. Darryll Desir's seven tackles at NC State were the most for a true freshman defensive lineman at FSU since College Football Hall of Famer Ron Simmons in 1977.

Knighton's first game at Florida State, against No. 8 Alabama, saw his Seminoles hold the Crimson Tide to just 87 rushing yards, including 32 yards on 17 carries after the opening drive. FSU held No. 3 Miami to 97 rushing yards and Kent State to 43 rushing yards, the fewest in head coach Mike Norvell's six seasons at Florida State.

Along with Jackson and the Desir twins, five other Seminoles started on the defensive line in 2025, including defensive tackle Daniel Lyons, who started all 12 games next to Jackson.

Knighton quickly rose to prominence coaching defensive linemen, building on a seven-year NFL playing career with coaching roles in the NFL and in two different college programs. He spent the 2023 and 2024 seasons as Nebraska's defensive line coach after two years as a coaching assistant for the Carolina Panthers working with the defensive line.

In 2024, Nebraska ranked 14th nationally in rushing defense, 19th in total defense and 20th in scoring defense. The Huskers held five opponents to 10 or fewer points and six opponents to fewer than 300 yards of total offense, including limiting Ohio State to 285 yards when the Buckeyes entered the game averaging more than 500 yards of total offense. The Huskers allowed only six rushing touchdowns, the third-fewest in the nation, and held 10 opponents without a rushing touchdown, including all seven at home. Nebraska kept all its home opponents out of the end zone on the ground for the first time since 1939 and was the first team nationally since 2021 to not allow a rushing touchdown at home.

In Knighton's first season at Nebraska, the Huskers allowed only 92.9 rushing yards per game, the eighth-best rushing defense in the country and the best at Nebraska this century, while also ranking 11th nationally in total defense and 13th in scoring defense. All 13 of the Huskers' defensive linemen who recorded a tackle set new single-season career-highs, and three defensive linemen earned All-Big Ten acclaim.

In his two seasons with the Carolina Panthers, Knighton served as a coaching assistant working with the defensive line. In 2021, his first year coaching in the NFL, the Panthers ranked second in the league in total defense and allowed only 4.1 yards per rush, the No. 9 yards-per-carry defense in the NFL. The 2022 team held opponents to only 4.3 yards per rush to rank 12th in the league.

Knighton began his coaching career as Wagner's defensive line coach for the 2019 and 2020 seasons. In his first season as a collegiate coach, Knighton oversaw the development of three all-conference defensive linemen, including NEC Defensive Player of the Year and All-American Cam Gill. Gill and fellow defensive lineman Chris Williams both earned invitations to the East-West Shrine Game, the first defensive players to earn an opportunity to participate in the pre-NFL Draft showcase event. They both went on to enjoy extended NFL careers.

Knighton was a standout defensive lineman at Temple and went on to play seven seasons in the NFL for Jacksonville, Denver and Washington. He played in 46 games with 34 starts during his four-year college career and in 2008 became the first Owl to earn first-team All-MAC honors. He was selected in the third round of the 2009 NFL Draft by the Jaguars and earned All-Rookie honors after starting all 16 games in 2009.

After playing four seasons in Jacksonville, he played the 2013 and 2014 seasons in Denver, starting all 36 games over those two seasons and helping the Broncos reach Super Bowl XLVIII. He played the 2015 season in Washington and started all 15 games played. He finished his career with 230 tackles, including 34.0 for loss and 14.0 sacks, 11 pass breakups, three forced fumbles and two fumble recoveries.

Knighton earned his bachelor's degree in criminal justice from Temple in 2009.

KAM MARTIN
RUNNING BACKS

Experience: 1st Season at FSU | 6th Season as collegiate coach
Hometown: Port Arthur, Texas | Alma Mater: Auburn, 2019
Family: wife, Torie

Kam Martin, who has coached a 1,000-yard rusher every year as a position coach, was named Florida State's running backs coach on January 2, 2026.

Martin joined Florida State after one season as the running backs coach at Tulsa, two years as the running backs coach at UCF and one year coaching running backs at Incarnate Word. In those four seasons, he has overseen the development of four 1,000-yard rushers and a combined 31 individual 100-yard rushing games.

In 2025 at Tulsa, he developed Dominic Richardson into one of the American Conference's premier running backs. Richardson hit the 1,000-yard rushing mark for the first time in his career, finishing the year with 1,065 yards and an average of 5.02 yards per carry that ranked third in the conference among players with at least 200 rushing attempts. Richardson posted four 100-yard games, highlighted by a career-high 203 yards in a win at Army that made him only the fifth Golden Hurricane player to reach 200 yards in a game over the last 30 years.

Martin spent the 2023 and 2024 seasons as running backs coach at UCF when former Florida State offensive coordinator Gus Malzahn was the Knights' head coach. Martin coached RJ Harvey, who was selected in the second round of the 2025 NFL Draft, to first-team All-Big 12 honors in 2024 and back-to-back years as a Doak Walker Award semifinalist, the first rusher in UCF history to twice be a semifinalist for the award presented to the nation's best running back. Harvey rushed for 1,416 yards in his first season under Martin, at the time the third-highest single-season total in UCF history, before topping that with 1,577 yards in 2024 to put his name in second on the program's single-season list.

Harvey had a phenomenal 2024 season, totaling 1,577 yards on the ground with nine 100-yard rushing games, including a stretch of six consecutive games hitting the century mark, and 22 rushing touchdowns. His average of 6.80 yards per rush was the highest in the Big 12 and seventh nationally, while his rushing yards total was second in the conference and sixth in the country. Harvey's conference-leading rushing touchdowns total and average of 158.17 all-purpose yards per game both ranked fourth in the nation. Harvey tied UCF's single-game school record with four touchdowns scored in the win over Sam Houston. As a team, UCF led the Big 12 and ranked fifth in the country with an average of 248.1 rushing yards per game and ranked 14th in the country with 447.8 yards of total offense per game.

In 2023, Martin helped UCF make a successful transition into the Power 4 level as a new member of the Big 12 Conference. That year, Martin directed Harvey to his first 1,000-yard season as the primary back on an offense that ranked fourth in the country in rushing and eighth in total offense. Individually, Harvey's 16 rushing touchdowns and 1,416 total rushing yards were sixth nationally, and his 17 total touchdowns ranked eighth in the country. Harvey topped 100 yards in seven games, including a career-high 206 yards in the 45-3 win over No. 15 Oklahoma State.

In his first season as a full-time position coach, Martin's rushing attack helped pace Incarnate Word to a school-record 12 wins and into the semifinal round of the FCS Playoffs for the first time in program history. The Cardinals rushed for 3,011 yards, the seventh-highest total in FCS that season and a single-season school record by more than 1,000 yards, and led the nation with an average of 51.5 points per game.

Marcus Cooper broke single-season program records for rushing yards, rushing yards per game, 100-yard rushing games and all-purpose yards and was second on UIW's single-season lists for rushing touchdowns, yards per rush and all-purpose yards per game.

Cooper ran the ball 212 times for 1,436 yards and 12 touchdowns while averaging 6.77 yards per rush and 132.7 all-purpose yards per game. His rushing yards total was the sixth-most in FCS that season, and his yards-per-rush average ranked 10th nationally. He posted four consecutive 100-yard rushing games, another school record, including a single-game record 254 yards in the regular season finale at Northwestern State and eclipsed the century mark in all three FCS Playoff games.

Martin began his coaching career as a recruiting and offensive assistant at UCF. The 2021 Knights won nine games, including the Gasparilla Bowl over Florida, behind the AAC's No. 2 rushing offense. UCF averaged 196.3 yards per game on the ground and led the country with a fourth-down success rate of 84.6 percent. Isaiah Bowser ranked fourth in the conference in rushing touchdowns, and Johnny Richardson had the conference's sixth-highest rushing yards total.

Originally from Port Arthur, Texas, Martin played at Auburn under Malzahn. He finished his collegiate career with 1,564 rushing yards, a top-30 total in Auburn history, and helped the Tigers reach four bowl games, including a Sugar Bowl and a Peach Bowl appearance.

Martin earned his bachelor's degree in interdisciplinary studies from Auburn in 2019. He is married to the former Torie Frederick.

ADAM SCHEIER
SPECIAL TEAMS COORDINATOR

Experience: 1st Season at FSU | 31st Season as collegiate coach
Hometown: Bronx, N.Y. | Alma Mater: Dartmouth, 1995; Columbia, 1998
Family: wife, Erica; daughters Callie, Riley and Maddie; son Brady

Veteran special teams coordinator Adam Scheier is in his first season at Florida State after being hired as FSU's special teams coordinator on January 12, 2026.

Scheier brings 24 years of special teams coordinator experience to Tallahassee. He has coached an all-conference kicker or punter in 20 of those seasons and has overseen the development of four top-10 special teams efficiency units in the last 13 years. His units have scored nine touchdowns in the last six years, the fourth-highest total among special teams coordinators nationally.

Scheier was UNLV's special teams coordinator in 2025, helping the Rebels reach the MWC Championship Game after a 10-win season. UNLV led the Mountain West and ranked eighth nationally in blocked punts and had the conference's third-best punt return defense. The Rebels were one of four teams in the country to have multiple players return a punt for a touchdown.

Before UNLV, Scheier was Temple's special teams coordinator and tight ends coach for three seasons. In 2024, kicker Maddux Trujillo became the third kicker in NCAA history to make two 60-yard field goals in a single season. He earned second-team All-AAC honors after becoming responsible for the only two 60-yard field goals in conference history. Trujillo made a 64-yard field goal against Utah State to set the AAC, Temple and Lincoln Financial Field records for longest field goal and then two weeks later made a 60-yard field goal at UConn that set the Pratt & Whitney Stadium record. Additionally, punter Dante Atton was a third-team all-conference honoree by CFN.

In 2023, Sam Martin was named a second-team all-conference kick returner by Phil Steele after collecting 548 return yards, the second-highest total in the conference, including a 95-yard touchdown that was Temple's first kickoff return touchdown in five seasons. In 2013, the Falcons ranked fourth in the country in punt return average and 14th in kickoff return average while leading the conference in both categories. In 2018, Scheier was a Broyles Award nominee for his work as Texas Tech's special teams coordinator. That year, the Red Raiders were one of only three schools in the country to produce a semifinalist for the Lou Groza Award and the Ray Guy Award. Kicker Clayton Hatfield earned first-team All-Big 12 honors after scoring 106 points and ranking sixth nationally in field goal percentage. Punter Dominic Panazzolo dropped 21 punts inside the 20-yard line, and returner De'Quan Bowman's 906 combined kick return yards ranked fourth in the country.

Scheier was Ohio State's special teams quality control coach in 2017, helping the Buckeyes win the Big Ten championship and finish No. 5 in the AP poll. Ohio State ranked ninth in the country in punt average, 10th in kickoff return defense and 17th in kickoff returns while producing an All-Big Ten kicker, punter and return specialist. In his three seasons at Wake Forest, Scheier produced a two-time Ray Guy Award semifinalist and the Demon Deacons led the ACC in net punting twice. The 2014 team ranked fourth nationally in net punting and 13th in kickoff return defense, and the 2015 team had the country's eighth-best net punting average.

Scheier was a four-year letterman at Dartmouth and earned the team's Special Teams Player of the Year award as a senior. After his playing career, he began coaching the secondary at his alma mater in 1996 before spending three seasons as the safeties and outside linebackers coach at Columbia. His first special teams coordinator role came at Princeton from 2000-01, and then he spent seven seasons coordinating special teams at Lehigh.

AUSTIN TUCKER
QUARTERBACKS

Experience: 7th Season at FSU | 11th Season as collegiate coach
Hometown: Springdale, Ark. | Alma Mater: Arkansas, 2011
Family: wife, Adrienne; daughters Willa and Finley; sons Zeke, Nash and Watson

Austin Tucker enters his seventh season at Florida State and first as quarterbacks coach in 2026. Tucker, who has worked extensively with quarterbacks, wide receivers and running backs in his coaching career, is entering his 11th season as a Division I coach.

Tucker has coaching experience at Auburn, Memphis, North Alabama and in the high school ranks, and he has worked with every skill group on offense. Last season, he helped direct and develop an offense that led the ACC in total offense, rushing offense, third-down offense and yards per completion. The Seminoles ranked in the top 15 nationally in all four categories, placing fourth with 15.21 yards per completion, ninth in total offense with an average of 472.1 yards per game, ninth with a third-down percentage of 50.9, and 13th in rushing offense after averaging 218.7 yards per game on the ground.

In 2025, Tucker served as FSU's assistant wide receivers coach and helped guide a productive group led by first-team All-ACC selection and Biletnikoff Award semifinalist Duce Robinson. Robinson caught 56 passes for 1,081 yards and six touchdowns, posting the ninth-highest single-season receiving yards total in program history. Robinson also produced the 14th 1,000-yard season in program history and became only the 11th different FSU receiver to reach the 1,000-yard milestone in a season. He led the ACC in 30- and 40-yard receptions, and his average of 19.3 yards per reception ranked second in the conference, behind only teammate Micahi Danzy.

In addition to Robinson, second-year players Danzy and Lawayne McCoy showed impressive development. Danzy made 27 receptions for 571 yards and three touchdowns through the air and added 227 yards and three touchdowns on 12 rushing attempts. Danzy led the ACC and ranked fourth nationally with an average of 21.2 yards per reception, and he joined Peter Warrick as the only FSU wide receivers with three rushing and three receiving touchdowns in the same season. McCoy also made 27 catches, gaining 396 yards and scoring three touchdowns. As a group, the trio was responsible for nine individual 100-yard receiving games in 2025.

Tucker worked with FSU's running backs for his first three seasons before moving to assist the quarterbacks prior to the 2023 season. That year, Florida State completed a 13-0 regular season and won the program's first ACC championship since 2014 behind ACC Player of the Year and ACC Offensive Player of the Year Jordan Travis. Travis was one of only two players nationally with at least 20 touchdown passes and two or fewer interceptions, and he led the ACC with a pass efficiency rating of 154.5 and an average of 8.51 yards per pass attempt. He became the first player to lead the ACC in pass efficiency in back-to-back seasons since Trevor Lawrence, who was the No. 1 overall pick in the 2021 NFL Draft.

Prior to his time at FSU, Tucker spent two seasons as the wide receivers coach at North Alabama. In his first season with the Lions, he led a group that included four freshmen who combined to make 145 receptions for 1,861 yards and 14 touchdowns. That year, UNA posted a 7-3 overall record in its first season of FCS competition after nearly 70 years as a Division II program. In his second season, the quartet combined for 153 receptions, 2,475 yards and 15 touchdowns.

Tucker began his collegiate coaching career as a graduate assistant in 2016 at Auburn under former Florida State offensive coordinator Gus Malzahn. That year, the Tigers produced the SEC's No. 1 rushing offense, averaging 271.3 yards per game, and played in the Sugar Bowl.

Tucker then joined Mike Norvell's staff at Memphis in 2017 as a graduate assistant, helping tutor an offense that ranked second in the country with an average of 45.5 points per game and fourth nationally with an average of 523.1 yards per game and 7.35 yards per play. Tucker worked with consensus All-American receiver Anthony Miller, who led the country with 18 touchdown receptions and was third nationally with 96 receptions and 1,462 receiving yards.

After a successful playing career, Tucker served as the offensive coordinator at Shiloh Christian School in Arkansas and Hewitt-Trussville High School in Alabama. In 2013, his first season as an offensive coordinator, he directed a Shiloh Christian offense that averaged 38.1 points per game on its way to the 5A state playoffs. After moving to Hewitt-Trussville, his 2014 offense averaged 34.4 points per game, and in 2015 the Huskies averaged 431.5 yards per game while qualifying for the 7A state playoffs both years.

Tucker was a wide receiver at Arkansas from 2007-10, helping the Razorbacks to 31 wins with appearances in the Sugar Bowl, Cotton Bowl and Liberty Bowl. He earned his bachelor's degree in P-12 kinesiology from Arkansas in 2011.

NICK WILLIAMS
EDGES/PASS RUSH SPECIALIST

Experience: 1st Season at FSU | 9th Season as collegiate coach
Hometown: Bainbridge, Ga. | Alma Mater: Georgia, 2018
Family: wife, Warda; children Nilah Rose, Noah and Nova

Nick Williams is in his first season as Florida State's edges coach and pass rush specialist after being hired on December 11, 2025.

Williams is a native of Bainbridge, Georgia, and comes to Tallahassee with experience at Georgia, Texas A&M, Colorado and Syracuse. He most recently spent two seasons coaching edge rushers at Syracuse, helping the Orange to a 10-3 season and a No. 20 ranking in the final AP poll in 2024. That year, Syracuse defeated three ranked teams and won the Holiday Bowl to reach 10 wins for only the third time since 2000.

While at Syracuse, Williams developed defensive end Fadil Diggs into an All-ACC performer and 2025 NFL Draft pick after Diggs ranked fifth in the conference with 7.5 sacks and seventh with 14.0 tackles for loss in 2024. Williams played a role in signing the three best classes in Syracuse history, including recently helping ink the highest-ranked signing class with the Class of 2026.

Williams coached Colorado's defensive line in 2023. He quickly helped the Buffaloes sign a top-30 class that ranked fifth in the Pac-12 behind only USC, Oregon, Utah and Washington. That season started with victories over TCU, coming off the previous season's National Championship Game, and Nebraska. The win over TCU was Colorado's first victory over a ranked opponent since 2019.

Williams was on Texas A&M's defensive staff in 2021 and 2022, helping land the nation's No. 1 recruiting class in the Class of 2022 that was the highest-graded class in recruiting rankings history. The Aggies ranked 14th in total defense in 2021 on the way to eight wins, including a defeat of No. 1 Alabama. Every starter on that year's defensive line signed an NFL contract, led by third-round NFL Draft pick DeMarvin Leal and fourth-round selection Michael Clemons.

Before his time in College Station, Williams was a student assistant and then a graduate assistant at Georgia, where he began his collegiate playing career. The Bulldogs were 31-7 in his three years on staff and won two SEC Eastern Division crowns while playing in the Sugar Bowl in 2018 and 2019 and the Peach Bowl in 2020. Georgia signed a top-two class all three years, including the No. 1 class in the nation in 2018 and 2020.

Georgia led the nation in rushing defense in both of his seasons as a graduate assistant, holding opponents to less than 75 yards per game each year. The 2019 squad also led the nation in scoring defense, allowing only 12.6 points per game, and was third nationally in total defense with opponents averaging just 275.5 yards per game.

Williams worked with some of the Bulldogs' standout NFL talent on defense, including the 2022 No. 1 overall pick Travon Walker. Additionally, Williams worked with first-round defensive line selections Jalen Carter, Jordan Davis and Devonte Wyatt.

Williams played at Georgia from 2008-10, seeing action in 32 career games at both safety and linebacker. He transferred to North Alabama and, after two redshirt seasons, had a solid senior campaign in 2013 with 62 tackles and two interceptions. He helped lead the Lions to 10 wins, a share of the conference title and two postseason wins on their way to the quarterfinal round of the Division II playoffs.

He was selected to play in the NFLPA Game after the 2013 season and went on to play one season with the Toronto Argonauts in the Canadian Football League and one season for the Tampa Bay Storm in the Arena League.

Williams was a quarterback and linebacker for Bainbridge High School and led the Bearcats to the quarterfinal round of the state playoffs his senior year. He earned his bachelor's degree in speech communications from Georgia in 2018.

Williams is married to Warda Ali. The couple has three children, Nilah Rose, Noah and Nova.

Fertitta directed a Nicholls State offense that showcased tremendous improvement in 2025, highlighted by a season-opening win over No. 4 Incarnate Word. The 20-6 victory was the highest-ranked win in program history, and Fertitta's offense allowed only one sack to a defense that ranked 13th nationally in that category the year before. The Colonels, led by all-conference running back Miequle Brock Jr., ranked fourth in the Southland Conference in rushing yards per game in conference play. Nicholls State also threw the fewest interceptions in the conference, ranking 18th nationally, the second-fewest sacks allowed, second-fewest turnovers lost and third-best time of possession among all Southland teams. Quarterback Ean Rodrique had the third-highest completion percentage in conference play and threw only one interception over his seven games played against conference opponents while ranking fifth in total offense.

He gained collegiate coaching experience as offensive coordinator at Itawamba Community College in 2010 and as a graduate assistant at Mississippi College in 2005. Fertitta played at Mississippi College, where he graduated cum laude with his bachelor's degree in English in 2005 and completed his master's degree in English education in 2010.

He led the organization's operations related to the move as he was responsible for all logistical operations and execution for players, coaches and front office staff. With the Rams, he worked for three different head coaches and was in charge of travel operations and organizing training camps as well as overseeing construction at Los Angeles Memorial Coliseum. JOHN GARRETT

Deputy AD/General Manager of Player Personnel

3rd Season at FSU
Alma Mater: Princeton
Family: wife, Honor; son, John Jr.; daughters, Honor, Olivia & Caroline

John Garrett returned to Florida State on January 1, 2026, as FSU's first Deputy Athletics Director and General Manager of Player Personnel. In this newly created position, Garrett oversees all football roster construction, player evaluation, recruiting operations, and NIL integration.

Garrett rejoined Florida State from Duke University, where he served as General Manager of Player Personnel for two seasons after two seasons on FSU's football staff.

Garrett reports directly to Vice President and Director of Athletics Michael Alford and works in close partnership with head football coach Mike Norvell, aligning Florida State's football program with an NFL-style operational model designed to maximize competitive success in the evolving college football landscape.

Garrett brings extensive experience across college football operations, player personnel, and strategic planning. He spent the last two seasons at Duke, where he helped build rosters that won 17 games and the 2025 ACC championship. He played a key role in roster management, recruiting coordination, and the integration of analytics and evaluation processes into football decision-making.

Prior to his stint at Duke, Garrett played a pivotal role in FSU's return to prominence while serving as director of scouting for offense during the 2022 and 2023 seasons at a critical moment when roster building in college football was rapidly changing. He helped bring an NFL-style evaluation approach to FSU, focusing on disciplined film study, transfer-portal assessment, and roster analysis to support smarter personnel decisions. During his first stint at FSU, the Seminoles posted a 23-4 overall record, including a perfect 13-0 regular season in 2023 that culminated in the program's first ACC championship since 2014.

Garrett's work emphasized identifying players who could contribute immediately, understanding positional needs and depth, and reducing risk in an increasingly competitive NIL and portal environment. Garrett's role strengthened how the program evaluated talent and laid important groundwork for the front-office model now used across major college football programs.

Garrett was the head coach at Lafayette College from 2017-21 and also has collegiate coaching experience as the offensive coordinator at Oregon State and Richmond and wide receivers coach at Virginia. He has 18 years of experience in the NFL, spending six seasons with the Dallas Cowboys, including his last two seasons as passing game coordinator, as well as with the Cincinnati Bengals, Arizona Cardinals and Tampa Bay Buccaneers.

Garrett earned his bachelor's degree in history from Princeton in 1988. He and his wife, Honor, have four children, John Jr., Honor, Olivia and Caroline. From 2021-24, Edwards was South Carolina's director of player personnel. He led efforts to assemble rosters that won 29 games and qualified for three bowl games. The 2024 team won nine games, including four wins over ranked opponents in November, to earn the program's most wins in a season since 2017 and reach nine wins for only the eighth time in program history. Three Gamecocks earned FWAA All-America honors, and a school-record three players made the FWAA Freshman All-America team.

Edwards was the director of recruiting and personnel at Maryland for the 2019 and 2020 seasons, where his second recruiting class was ranked No. 18 in the country. Prior to his time at Maryland, he was Arkansas' director of recruiting and personnel in 2018 and brought a consensus top-25 recruiting class to Fayetteville. He spent the 2017 season at Alabama as a player personnel assistant when the Crimson Tide won the national championship.

He began his career as a personnel and operations assistant at Jacksonville State in 2013 before one season as UAB's director of recruiting. He then spent two years as director of player personnel at Samford.

Edwards earned his bachelor's degree in business administration from Montevallo in 2011 and completed his master's degree in sport and fitness administration from Troy in 2013.

JEFF KUPPER

Director of Player Development & Operations

7th Season at FSU
Alma Mater: Texas

Family: wife, Lindsay; daughters, Ruby-Wayne & Jennings

Jeff Kupper is in his seventh season with the Seminoles in 2026. He was announced as Florida State's director of player development and operations on January 6, 2020.

Kupper came to Tallahassee following 10 seasons as the director of operations at Memphis. In that role, he was responsible for many administrative duties, including team travel, camps and community service. He also was instrumental in daily communication with student-athletes regarding practice schedules and team meetings.

Prior to his time at Memphis, Kupper spent five years as director of football operations and special projects at Columbia. He was involved with football marketing, development, compliance, equipment and facility operations while also overseeing quality control for game day events and arranging all staff and team travel, both in and out of season. Kupper joined Columbia in August 2005 from Ohio University, where he was a facilities and equipment graduate assistant from 2003-05.

As an undergraduate at the University of Texas, Kupper earned three letters as a student football equipment manager. He oversaw the packing, handling and transportation of equipment and team bags for road games, organized team activities for the travel squad, acted as a liaison between the travel team and hotel staffs, maintained and organized football equipment and worked on reconciliation of equipment orders for six men's sports. He also was involved in logistical support for three Cotton Bowls and two Holiday Bowls.

Kupper was a three-time recipient of the Darrel K. Royal Scholarship Award and the Glen Swenson Award, both presented to an outstanding equipment manager. He spent four consecutive semesters on the Athletics Director's Honor Roll.

The Odessa, Texas, native graduated from Texas in 2002 with a bachelor's degree in religious studies. He earned a master's of business administration and a master's of sports administration and facility management from Ohio.

Kupper and his wife, Lindsay, have two daughters, Ruby-Wayne and Jennings.

UNIVERSITY ADMINISTRATION

RICHARD McCULLOUGH
University President

Richard McCullough became the 16th president of Florida State University in August 2021, bringing more than three decades of academic leadership experience. Under his tenure, FSU has achieved record student success, rapid research growth, historic rankings, and significant campus development.

McCullough has strengthened the university by recruiting top faculty and staff, expanding FSU's research enterprise, enhancing entrepreneurial initiatives, and building strong relationships with government, community, and industry partners. He has also advanced fundraising efforts and supported a highly competitive athletics program.

Under President McCullough's leadership, FSU has reached its highest national standings in history, including a No. 21 ranking among public universities and No. 51 overall by U.S. News & World Report. The university has also been recognized for exceptional first-year experiences, innovation, and student outcomes. Retention and graduation rates have reached record highs, including a 97% first-year retention rate and a 78% four-year graduation rate. The six-year graduation rate has climbed to 86%, while the transfer student graduation rate has reached 80%, the highest in the history of the State University System of Florida.

McCullough has overseen the enrollment of highly accomplished freshman classes and strengthened support for first generation and Pell eligible students through programs such as CARE, Quest Scholars, and Illuminate. In addition, FSU has expanded opportunities for high-achieving students through Presidential Scholars and the Honors Program, which is ranked No. 1 in Florida. Doctoral education has also grown, supported by a $10 million university investment.

A proven research leader, McCullough has shepherded extraordinary growth in FSU's research enterprise, increasing research expenditures by nearly 50% since 2021 and reaching a historic $488 million — representing the fastest growth rate in the State University System. Faculty have achieved record proposal submissions and secured major awards, including the $300 million renewal of the National High Magnetic Field Laboratory. The university increased NIH research expenditures by 40%, with federal research funding surpassing $200 million for the first time, and regional impact has increased through major initiatives such as the $98.4 million Triumph Gulf Coast award for InSPIRE.

One of McCullough's signature achievements is the creation of FSU Health, launched in 2022 with $125 million in state support to expand healthcare, training, and biomedical research in North Florida. He has advanced key healthcare and research facilities, expanded clinical partnerships, and launched initiatives such as the Florida Institute for Pediatric Rare Diseases and the Sunshine Genetics Pilot program.

McCullough has strengthened FSU's legislative presence, securing historic appropriations for research, health, and strategic priorities. Under his leadership, the university surpassed the $1 billion endowment milestone for the first time in its history, bolstered by transformational philanthropic gifts such as $65 million for the Herbert Wertheim Center for Business Excellence and Wertheim College of Business, $10 million to expand the nursing program, and the naming gift for the Anne Spencer Daves College of Education, Health, and Human Sciences.

FSU has completed several transformative capital projects during McCullough's tenure, including the new Student Union and the Interdisciplinary Research and Commercialization Building. The university also celebrated the opening of the Wertheim Center for Business Excellence, the new home of the Wertheim College of Business and the largest academic space on the Tallahassee campus.

McCullough is a national leader advocating significant reform in collegiate athletics, championing reforms that enhance student-athlete experiences, promote financial equity, and strengthen institutional competitiveness. He's made investments in athletics facilities, including stadium renovations and the construction of the Dunlap Football Center, and launched women's lacrosse — FSU's 21st varsity sport. During McCullough's presidency, FSU teams have captured 21 conference championships and three national titles, while student-athletes across all sports achieved the highest cumulative GPA in university history.

Prior to joining FSU, McCullough served as Harvard University's vice provost for research and spent 22 years at Carnegie Mellon University in faculty and senior leadership roles. A first generation college student, he earned his bachelor's degree from the University of Texas at Dallas and his Ph.D. from Johns Hopkins University. He completed a postdoctoral fellowship at Columbia University.

He has more than 110 publications, holds 16 U.S. patents, and is an entrepreneur who started two companies. He is a Fellow of the National Academy of Inventors and was inducted into the Advanced Materials Journal Hall of Fame in 2021, and the Florida Inventors Hall of Fame and the Academy of Science, Engineering and Medicine of Florida, both in 2025. He also is the recipient of the Carnegie Science Center Award for Excellence as a Start-Up Entrepreneur.

He and his wife, Jai Vartikar, have two sons and three granddaughters.

Deion Sanders' place in the history of college football was immortalized over a five month period in 2011 when he was inducted into the NFL Hall of Fame in August and the College Football Hall of Fame in December. Sanders redefined the position of cornerback over his historic career winning the 1988 Jim Thorpe Award as a senior at Florida State and landing two-time consensus All-America honors. He left FSU second on the all-time interceptions list, first for career punt return yards and became one of college football's all-time brightest stars.

5 ■ JAMEIS WINSTON

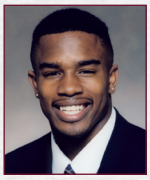
- ***Jersey Retired Nov. 18, 2023***

Jameis Winston authored the best season by a quarterback in Florida State history in 2013, leading Florida State to the third national championship in program history and a perfect 14-0 record. Along the way, Winston became the youngest player to win the Heisman Trophy, the first freshman to earn ACC Player of the Year honors and also took home the Davey O'Brien Award, Manning Award and was named Walter Camp Player of the Year. The Bessemer, Alabama, native set the national freshman record with 4,057 passing yards, added 40 passing touchdowns and led the nation with a 184.8 pass efficiency rating. For his career, Winston passed for 7,964 yards (fourth in FSU history) and 65 touchdown passes (second) and his 163.28 career pass effiency mark ranked as the 10th-best in college football history at the end of his career. Winston became Florida State's first No. 1 overall NFL Draft pick in 2015 when the Tampa Bay Buccaneers selected him in 2015. Winston was inducted into the Florida State Hall of Fame as part of the 2025 class.



9 ■ PETER WARRICK

- **Wide Receiver, 1996-99**
- ***Jersey Retired Sept. 3, 2018***

Peter Warrick was one of the most electrifying players to ever don the Garnet and Gold. During his four-year career, he helped lead the Seminoles to a 45-4 record and the 1999 national championship. Warrick was named MVP of the national title game victory over Virginia Tech after catching six passes for 163 yards and two touchdowns and adding another touchdown on a 59-yard punt return as FSU became the only team in college football history to go wire-to-wire as the AP No. 1-ranked team. Warrick was a two-time consensus All-American who still holds the FSU record with 32 career receiving touchdowns. His 3,517 career receiving yards were the most in ACC history and ranked second on FSU's all-time list. He also ranked second in school history with 207 catches, 15 100-yard receiving games and an average of 4.81 receptions per game.

10 ■ DERRICK BROOKS

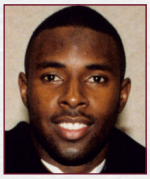
He starred at FSU from 1991-94 leading FSU to its first national title as a junior and earning first team All-ACC honors as a sophomore, junior and senior. He was named the ACC Player of the Year in 1994 and was a finalist for the Butkus, Lombardi and Football Writer's Defensive Player of the Year Award in both 1993 and 1994. His place among the ACC's all-time best was recognized when he was voted one of the 50 best players in the history of the conference.



17 ■ CHARLIE WARD

- **Quarterback, 1989-93**
- ***Number Retired Dec. 15, 1993***

Charlie Ward began his senior season in 1993 chasing both the school's first national championship and the Heisman Trophy. Ward's passing and running skills were already well known qualities by 1993, but his inspired leadership and poise under pressure during his senior year elevated him to one of the game's all-time greats. So exceptional was Ward's command of the offense that coaches moved him into the shotgun to allow him to make adjustments during the play. Ward set 19 school and seven Atlantic Coast Conference records over his two years as the starting quarterback for the Seminoles. A consensus All-American, Ward won over 30 individual awards in addition to the Heisman. Ward ranks second in career total offense at FSU with 6,636 yards and has the highest completion rate for a career (62.3%) and lowest interception percentage (2.90%). Ward set the FSU record for touchdown passes in a season with 27 in 1993. Dunn was the first Seminole ever to rush for over 1,000 yards in three consecutive seasons. His 3,959 career rushing yards broke Greg Allen's school record set in 1984. He also broke Allen's single-season rushing record when he ran for 1,242 yards as a junior in 1995. Dunn has the record for most touchdowns scored in a career with 49 over four seasons and rushed for over 100 yards more times (22) than any player at FSU. - **Nose Guard, 1977-80**

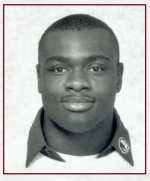
Simmons anchored the center of the defense that took FSU to a pair of Orange Bowl appearances in 1979 and 1980, resulting in FSU's highest national rankings ever at that time. A dominating nose guard and the Tribe's first two-time consensus All-American, Simmons seemed to camp out in opponents' backfields. He totaled an FSU record 25 quarterback sacks and 44 tackles for loss — a mark that held top ranking at FSU for 23 years. He was the first Seminole defender to have his number retired.



55 ■ MARVIN JONES

- **Linebacker, 1990-92**

Jones played a vital role in leading Florida State to three top four finishes including a ranking of fourth in the Associated Press poll in 1990 and 1991, and second in 1992 with an 11-1 record and a 27-14 win over Nebraska in the Orange Bowl. He was inducted into FSU's Sports Hall of Fame in 2000. A graduate of Northwestern High in Miami, Jones left FSU following his junior season and was selected with the fourth overall pick of the 1993 NFL Draft by the New York Jets. A native of nearby Thomasville, Ga., Ward waited for his turn at quarterback and overcame a rough start as a junior to become the finest player in Florida State history. In addition to the individual trophies, Ward saw his No. 17 jersey retired and, remarkably, played in the NBA for more than a decade. He was only the second football player in history to win the prestigious Sullivan Award, presented to the nation's top amateur athlete.

CHRIS WEINKE

2000 HEISMAN TROPHY WINNER

The first three-year starter at quarterback for the Seminoles under Bobby Bowden, Chris Weinke became the second FSU player to win the Heisman Trophy when he was named the nation's best football player in December 2000. Weinke led the nation in passing as a senior with 4,167 yards and averaged 347.3 yards per game. Weinke set both the Florida State and Atlantic Coast Conference record for career passing with 9,839 career passing yards and would set 26 school records during his career. His 79 career touchdown passes ranked as the 12th best performance in NCAA history and his career passing yards placed him at 18th on the NCAA's all-time list. Weinke owned the first, second and fourth best passing games in FSU history headlined by a school-record 536 passing yards against Duke in 2000. Weinke also won the Davey O'Brien and Johnny Unitas awards as a senior signifying his selection as the nation's best quarterback. Weinke's No. 16 jersey was retired at a ceremony during halftime of the 2001 spring football game.

2013

JAMEIS WINSTON

- Quarterback
- 2013-14

2013 HEISMAN TROPHY WINNER

The dazzling playmaker and charismatic leader authored the greatest freshman season by a quarterback in college football history by leading Florida State to a 14-0 record and the 2013 VIZIO BCS National Championship. In the process, Winston became the youngest player ever to win the Heisman Trophy at 19 years, 342 days and just the second freshman. In addition, Winston captured the Davey O'Brien Award, the Manning Award and the Walter Camp Player of the Year Award while earning Consensus All-America accolades. The Bessemer, Ala., native became the first freshman to collect the ACC Player of the Year honor in the 61-year history of the conference and also nabbed the league's ACC Offensive Player of the Year and ACC Offensive Rookie of the Year trophies. Winston elevated his performance when the stakes were highest, too. He was named Offensive MVP of the BCS National Championship Game after leading the Seminoles to a 34-31 come-from-behind victory over No. 2 Auburn in the Rose Bowl in Pasadena. The Seminoles trailed by 18 points (21-3) late in the second quarter to complete the largest comeback in the game's history. Winston clinched the victory by engineering the game-winning seven-play, 80-yard drive that started with just 1:11 remaining in the game and FSU trailing 31-27 and ended with a two-yard touchdown pass to Kelvin Benjamin to give FSU the lead with 13 seconds left. Winston shattered the ACC record, Florida State record and national freshman record for touchdown passes (40) and broke the national freshman record for passing yards (4,057), while leading the nation and setting the ACC record for pass efficiency rating (184.8). Over his two-year career, Winston passed for 7,964 yards (third in FSU history) and 65 touchdowns (second in FSU history), while compiling a 26-1 record. His career pass efficiency mark (163.28) ranked as the 10th-best in college football history and is the FSU and ACC record. Winston won his first 26 starts - a feat unmatched by major NCAA Division I quarterbacks all-time and had five fourth-quarter comebacks in his career, including a nation-leading four in 2014. He was also a valuable member of Florida State's nationally-ranked baseball team for two years as a pitcher and an outfielder, serving as the closer in 2014.

DEION SANDERS

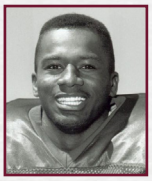
- Cornerback
- 1985-88

1988 JIM THORPE AWARD WINNER

One of the best athletes ever to wear a Florida State uniform, cornerback Deion Sanders won the Jim Thorpe Award as the top defensive back of 1988.

Sanders collected the prize after a career which saw him gather 14 career interceptions, not including three in bowl games. In his junior and senior seasons, FSU went 11-1 with a pair of New Year's Day bowl wins. In 1988, Sanders ranked in the top 10 nationally with five interceptions in nine games. He was the nation's top punt returner, averaging 15.2 yards per return.

The Ft. Myers, Fla., native ranks third on the FSU career interceptions chart and holds most of the school's punt return records. A three-sport star in football, baseball and track at Florida State, Sanders was the fifth pick in the 1989 NFL draft by the Atlanta Falcons. He became a successful two-sport pro — elected to the Pro Bowl seven times in football and started in centerfield for the Atlanta Braves and the Cincinnati Reds. He was inducted into the Pro Football Hall of Fame and the College Football Hall of Fame in 2011.



TERRELL BUCKLEY

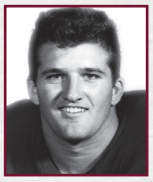
- Cornerback
- 1989-91

1991 JIM THORPE AWARD WINNER

In 1991, Terrell Buckley capped the best season ever by a Florida State cornerback by becoming the second Seminole ever to win the Jim Thorpe Award. A junior, Buckley blew away the Florida State record for interceptions with 12 in 1991. He intercepted passes in eight of FSU's 12 regular season contests to lead the country in pickoffs. Against Michigan in Ann Arbor, his interception and 40-yard return for a touchdown on the game's first play set the stage for a 51-31 Florida State win. A native of Pascagoula, Miss., Buckley also demolished the Florida State career record with 21 INTs in just three seasons. His 501 career return yards broke an NCAA record that had stood since 1974. Following the year, Buckley entered the NFL draft and was selected by the Green Bay Packers with the fifth pick in the first round. He's been named one of the Top 100 Greatest College Football Players of all-time by CollegeFootballNews and named one of Sports Illustrated's Ten for the Ages' Defensive Back Game Breakers of all-time in college football. Buckley's FSU jersey No. 27 was retired in 2011.

BUTKUS AWARD

Presented to the nation's best linebacker by the Butkus Foundation



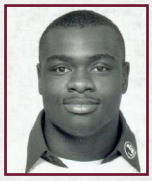
PAUL McGOWAN

- Inside Linebacker
- 1984-87

1987 BUTKUS AWARD WINNER

Calling the Butkus Award for linebackers, "The Heisman of the Bad Guys," FSU inside linebacker Paul McGowan accepted the award from Dick Butkus himself in December of 1987.

The 6-1, 230-pound McGowan won the award by a one-point margin over Ohio State's Chris Spielman. McGowan won the award based on a senior season in which he totaled 150 tackles, including 97 solo stops and 11 behind the line of scrimmage. He was named to the Associated Press, Sporting News and Football News first team All-America squads.



MARVIN JONES

- Inside Linebacker
- 1990-92

1992 BUTKUS AWARD WINNER

The top player in the nation in 1992, Marvin Jones became the first Seminole to capture two national awards in the same year when he earned both the Butkus Award for linebackers and the Lombardi Award for linemen and linebackers following his junior season.

Florida State's third two-time consensus All-American, Jones tallied 111 tackles and seven tackles for a loss in 1992 while leading the Seminoles to an 11-1 record. He made 10 or more tackles in nine games and finished fourth in the balloting for the Heisman Trophy.

He finished his career seventh on FSU's career tackle chart with 369 and third on the all-time list with 28 tackles for loss. A first team All-ACC choice out of Miami, Fla., Florida State tailored its nationally-ranked defense to Jones' strength in 1992.

Jones left Tallahassee for the NFL after his junior season, and at the time, was the highest Seminole draft choice when he was selected fourth overall by the New York Jets.

LOU GROZA AWARD

Presented to the nation's top place-kicker by the Palm Beach County Sports Commission

SEBASTIAN JANIKOWSKI

- Placekicker
- 1997-99

1998 & 1999 LOU GROZA WINNER

Sebastian Janikowski became the first Seminole to win the Lou Groza Award when he was named the nation's top kicker in 1998. He became the first kicker to win back-to-back Groza awards in 1999.

He nailed a remarkable 84.4 percent (27-of-32) field goals in 1999 and led the nation with an average of 2.23 per game. His 123 points were the most scored in a single season by a kicker in FSU or ACC history. He matched Bill Capece's Florida State record for field goals in a game by booting five at Maryland in 1998 and vs. NC State in 1999. His 53-yard field goal against Clemson tied for the third longest in Seminole history and he kicked 10 of 40 yards or more. He was named first team Associated Press and Football Writer's All-America along with earning first team All-ACC honors.

ROBERTO AGUAYO

- Placekicker
- 2013-15

2013 LOU GROZA WINNER

Roberto Aguayo became the third Seminole to win the Lou Groza Award after his record-breaking redshirt freshman season in 2013. Aguayo collected several All-America honors and All-ACC accolades while breaking the national record for points by a kicker in a season with 157 points. During Florida State's undefeated national championship run, Aguayo outscored eight the Seminoles' 14 opponents. He made 115 of his 116 kicks, including a perfect 94-94 on extra point attempts to set the FBS record for most extra points made in a season without a miss. His 94 extra points also set new ACC and FSU records. Aguayo led the nation in scoring average per game (11.2 ppg) among kickers and ranked third overall. MARVIN JONES

- Inside Linebacker
- 1990-92

1992 LOMBARDI AWARD WINNER

The top player in the nation in 1992, Marvin Jones became the first Seminole to capture two national awards in the same year when he earned both the Butkus Award for linebackers and the Lombardi Award for linemen and linebackers following his junior season.

Florida State's third two-time consensus All-American, Jones tallied 111 tackles and seven tackles for a loss in 1992 while leading the Seminoles to an 11-1 record. He made 10 or more tackles in nine games and finished fourth in the balloting for the Heisman Trophy.

He finished his career seventh on FSU's career tackle chart with 369 and third on the all-time list with 28 tackles for loss. A first team All-ACC choice out of Miami, Fla., Florida State tailored its nationally-ranked defense to Jones' strength in 1992.

Jones left Tallahassee after his junior season for the NFL and, at the time, was the highest Seminole draft choice ever when he was selected fourth overall by the New York Jets.

- 1997-2000

2000 LOMBARDI AWARD WINNER

A consensus All-American following the 2000 season, Reynolds was another in a long and prominent line of great defensive linemen for the Seminoles that included 1999 Lombardi runner-up Corey Simon. Reynolds joined Seminole star Marvin Jones who won the Lombardi in 1992 from his middle linebacker position. Reynolds led the Seminoles in sacks as a senior with 12 and forced four fumbles for a defense that was among the nation's best in 2000. He finished the year with 58 tackles including 28 unassisted stops and had two safeties on the year. His 23.5 career quarterback sacks ranks fifth all-time at FSU and his 12 sacks as a senior tied him with Ron Simmons (1977) as the fifth best season ever. Reynolds was the first FSU player selected in the 2001 NFL draft when he was taken in the first round by the Green Bay Packers with the 10th pick. Reynolds' distinction as a consensus All-American puts him in the company of Peter Boulware (1996), Reinard Wilson (1996) and Andre Wadsworth (1997), who also earned the distinction at defensive end.

2013 DAVEY O'BRIEN AWARD WINNER
2013 MANNING AWARD WINNER

The dazzling playmaker and charismatic leader authored the greatest freshman season by a quarterback in college football history by leading Florida State to a 14-0 record and the 2013 VIZIO BCS National Championship. In the process, Winston became the youngest player ever to win the Heisman Trophy at 19 years, 342 days and just the second freshman. In addition, Winston captured the Davey O'Brien Award, the Manning Award and the Walter Camp Player of the Year Award while earning Consensus All-America accolades. The Bessemer, Ala., native became the first freshman to collect the ACC Player of the Year honor in the 61-year history of the conference and also nabbed the league's ACC Offensive Player of the Year and ACC Offensive Rookie of the Year trophies. Winston elevated his performance when the stakes were highest, too. He was named Offensive MVP of the BCS National Championship Game after leading the Seminoles to a 34-31 come-from-behind victory over No. 2 Auburn in the Rose Bowl in Pasadena. The Seminoles trailed by 18 points (21-3) late in the second quarter to complete the largest comeback in the game's history. Winston clinched the victory by engineering the game-winning seven-play, 80-yard drive that started with just 1:11 remaining in the game and FSU trailing 31-27 and ended with a two-yard touchdown pass to Kelvin Benjamin to give FSU the lead with 13 seconds left. Winston shattered the ACC record, Florida State record and national freshman record for touchdown passes (40) and broke the national freshman record for passing yards (4,057), while leading the nation and setting the ACC record for pass efficiency rating (184.8).

Over his two-year career, Winston passed for 7,964 yards (third in FSU history) and 65 touchdowns (second in FSU history), while compiling a 26-1 record. His career pass efficiency mark (163.28) ranked as the 10th-best in college football history and is the FSU and ACC record. Winston won his first 26 starts - a feat unmatched by major NCAA Division I quarterbacks all-time and had five fourth-quarter comebacks in his career, including a nation-leading four in 2014. He was also a valuable member of Florida State's nationally-ranked baseball team for two years as a pitcher and an outfielder, serving as the closer in 2014.

2014 JOHN MACKEY AWARD WINNER

The native of Palm Beach, Fla., finished with 48 catches for 618 yards and six touchdowns, averaging nearly 13 yards per catch (12.9). O'Leary was a primary target for first-down conversions as a senior, with 28 of his 48 catches (58.3 percent) moving the chains. One of O'Leary's signature performances came against rival Florida on Nov. 29, 2014, when he hauled in two touchdowns to help the Seminoles come back for a 24-19 victory at Doak Campbell Stadium. An excellent blocker and pass-catcher, O'Leary's contributions helped FSU's offense average 33.7 points, 303.3 yards passing and pile up an average of 441.4 total yards of offense.

O'Leary wrapped up his four-year career as FSU's all-time leader among tight ends in career receptions (114), yards (1,591) and touchdowns (18). His 17 touchdown receptions tied for the second-most in ACC history. O'Leary collected consensus All-America honors and All-ACC first team accolades in 2014. He was a John Mackey Award finalist, All-ACC second-team selection and third-team All-American as a junior in 2013.

1996 HOME DEPOT COACH OF THE YEAR

Legendary head coach Bobby Bowden was twice named national Coach of the Year, bringing the Walter Camp Coach of the Year honor to Tallahassee in 1991 and earning the Home Depot Coach of the Year award in 1996.

Bowden led the Seminoles to an 11-2 record and spent 11 weeks ranked No. 1 in the country in 1991. That year, FSU defeated four ranked teams, including a 51-31 win at No. 3 Michigan that broke a record for the most points by an opponent in Michigan Stadium, and ended the year with a win over No. 9 Texas A&M in the Cotton Bowl.

Bowden's 1996 team capped off an 11-0 regular season with a 24-21 win over No. 1 Florida, FSU's first victory against the No. 1-ranked team in the country. That season featured four wins over top-15 opponents and concluded with a No. 3 final ranking after an appearance in the Sugar Bowl.

Bowden cemented his legacy at Florida State, compiling a 316-97-4 (.763) record from 1976-2009 with two national championships, 12 ACC championships and 31 bowl appearances. He finished his career, which included head-coaching stints at Samford and West Virginia, with a 389-130-4 (.748) record. 2023 BEAR BRYANT COACH OF THE YEAR

Norvell led the 2023 Seminoles to the seventh undefeated regular season in program history, an ACC Championship Game win over No. 14 Louisville and a No. 4 ranking in the final regular season Associated Press poll. Norvell also became the first FSU coach to win ACC Coach of the Year since Bobby Bowden in 1997.

Norvell produced the third 13-win season in Florida State history, joining the 2013 national championship team and the 2014 College Football Playoff semifinalists.

The Seminoles had eight wins over bowl-eligible Power 5 conference teams, the most in the country, and FSU was the only team that produced a stretch in which it outscored its opponent by at least 17 points in every regular-season game in 2023.

Norvell's team placed a program-record 25 selections on the All-ACC teams, including at least one at every position, led by Player of the Year quarterback Jordan Travis. FLORIDA STATE SEMINOLES
TALLAHASSEE, FLORIDA
EST. 1851

So fight, fight, fight, fight, for victory the Seminoles of Florida State! F-L-O-R-I-D-A-S-T-A-T-E Florida State, Florida State, Florida State!

PRO FOOTBALL HALL OF FAME

Five former Seminoles have been selected for the Pro Football Hall of Fame after defensive back LeRoy Butler was enshrined in 2022.

Butler joined Walter Jones and Derrick Brooks (both inducted in 2014), Deion Sanders (2011) and Fred Biletnikoff (1988) as the Seminoles that most excelled in the National Football League.

Florida State's four Hall of Fame inductees since 2011 are tied for third in the country. The Seminoles five total Hall of Fame inductees are the second-most in the state of Florida, the fourth-most among current teams in the Atlantic Coast Conference and tied for 14th among all colleges nationally.

FSU IN THE ALL-TIME BCS/CFP WEEKLY RANKINGS

FLORIDA STATE IN THE ALL-TIME BOWL CHAMPIONSHIP SERIES STANDINGS (1998-2013)

From 1998 to 2013, the Bowl Championship Series produced rankings used to identify the two teams that would play in the BCS National Championship at the end of the season after the other bowl games. The BCS relied on a combination of polls and computer selection methods to determine relative team rankings to narrow the field to two teams in order to crown an undisputed national champion. The BCS also selected matchups for the other BCS bowl games. The BCS was discontinued in 2013. Florida State appeared in the first three BCS National Championship games (1998, 1999, 2000), winning the second in 1999. The Seminoles won the final BCS National Championship in 2013.

FLORIDA STATE IN THE ALL-TIME COLLEGE FOOTBALL PLAYOFF RANKINGS (2014-PRESENT)

The College Football Playoff began in 2014 and was created to select the four best teams to play for the CFP National Championship. A selection committee ranks teams based on conference championships won, strength of schedule, head-to-head results, comparison of results against common opponents and other factors. The current playoff format features 12 teams, with first-round games being played on campus. The Cotton, Fiesta, Orange, Peach, Rose and Sugar Bowls rotate the quarterfinal and semifinal games before a National Championship game is played at a neutral site.

Florida State played Oregon in the first-ever College Football Playoff Semifinal on Jan. 1, 2015 at the Rose Bowl. The Seminoles have appeared in three additional "New Year's Six" bowl games, facing Houston in the 2015 Chick-fil-A Peach Bowl, defeating Michigan in the 2016 Orange Bowl and returning to play Georgia in the 2023 Orange Bowl.

Moss was one of two FSU coaches who spent only a year at the school. Midway through the 1959 season, reports were published that Moss would leave to join the Montreal Alouettes of the Canadian Football League. True to the reports, he departed after a brief year in Tallahassee.

BILL PETERSON (1960-70) 62-42-11

Bill Peterson took over a football program in deep trouble in 1960. When he left, 11 years and four bowl games later, he had become the most significant coach in the first 25 years of Florida State football. Under "Pete," the Seminoles went 62-42-11. The most memorable Peterson year was 1964, when the "Seven Magnificents" led Florida State to a 9-1-1 record and FSU's first ever win over Florida.

LARRY JONES
(1971-73) 15-19-0

Larry Jones compiled a 15-19 record in three years as the Seminole head coach. In his first two seasons, the popular coach led his teams to a 15-8 record; but he is probably remembered most for the 1973 campaign, when his team did not win a game.

DARRELL MUDRA
(1974-75) 4-18-0

Darrell Mudra was a successful coach before arriving at Florida State, and he was successful after he left. So much so that he was inducted into the College Football Hall of Fame in 2000. Mudra coached from the press box instead of the sidelines.

BOBBY BOWDEN
(1976-2009) 316-97-4*

Bobby Bowden spent 34 years at the helm of the Seminole program that he resurrected beginning in 1976. By far the winningest coach in school history, Bowden accumulated more wins than the previous seven head coaches combined. He finished his career as major college football's all-time second-winningest coach. Bowden took the Florida State program to the top of the college football world and won two national championships (1993, 1999). Bowden's Seminoles were one of the most dominant bowl teams ever, posting a 21-9-1 record with NCAA records for consecutive bowl wins (10) and consecutive bowl appearances without a loss (14). Bowden is the only coach in the history of college football to lead teams to 10 or more wins over 14 straight seasons. He is also the only coach ever to lead his team to 14 straight finishes among the Associated Press Top Five.

** Due to sanctions imposed on Florida State by the NCAA, the NCAA recognizes Bowden with 377 overall victories and 304 wins at FSU.*

JIMBO FISHER
(2010-17) 83-23-0

Jimbo Fisher led the Florida State program for nearly eight full seasons. He finished his career with five bowl wins, including the 2013 National Championship and two Orange Bowl titles. He earned the highest winning percentage in ACC history (.783) and his 78 wins in his first seven years were the most by a Power Five coach through their first seven seasons in modern history. Willie Taggart returned to his home state when he was named Florida State's 10th full-time head coach on Dec. 5, 2017. MIKE NORVELL
(2020-Present) 38-34-0

Mike Norvell was named Florida State's 11th full-time head coach on Dec. 8, 2019. In his first season, he led the youngest team in the country through a year impacted by the global COVID-19 pandemic, and he became the only coach in ACC history to beat a top-5 team in his first season. In year three, he led the Seminoles to their 25th 10-win season and a bowl victory over Oklahoma before springboarding that into a perfect 13-0 regular season and the program's 16th ACC title in 2023.

2013 NATIONAL CHAMPIONS

- Florida State closed out a perfect 14-0 season with an exciting 34-31 victory over Auburn in the 2014 BCS National Championship Game on January 6, 2014. It marked the first time FSU had won 14 games in a season and was only the sixth time a team had gone 14-0 in college football history.
- The Seminoles won the final national championship in the 16-year BCS era and did so by making the largest comeback in any national championship game. FSU trailed 21-3 with 5:07 left in the second quarter and outscored the Tigers 31-10 the rest of the game, culminating in a 2-yard touchdown catch by Kelvin Benjamin from Jameis Winston with 13 seconds left.
- FSU led the nation in kickoff return yardage, interceptions, passing yards allowed, red zone offense, scoring defense, passing efficiency and set an NCAA record with 723 points. The Seminoles were also top-5 in the country in 10 other categories including total defense, scoring offense per game and turnover margin.
- FSU had a 1,000-yard rusher for the first time since Warrick Dunn in 1996 as Devonta Freeman amassed 1,016 yards on the ground. The Seminoles also had players break the 1,000-yard receiving mark for the first time since Anquan Boldin in 2002 as Rashad Greene (1,128) and Kelvin Benjamin (1,011) each tallied more than 1,000 yards on the season.
- Redshirt freshman quarterback and 2013 Heisman Trophy winner Jameis Winston led FSU to its third undefeated season in school history.

STADIUM RENOVATIONS

As part of Doak Campbell Stadium's 75th anniversary, a two-year renovation project was unveiled in the 2025 season-opening win over No. 8 Alabama. Among the many upgrades to the iconic stadium:

- Expanded seating options, including a revamped Dunlap Champions Club, Founders Suites and Loge Boxes and the West Sideline Club
- Chairback seating on the East side
- Updated concourse and signage throughout the stadium
- Improved concession options and locations
- ADA improvements and restroom enhancements
- New video boards, including the North (57x120 ft) and South (35x75 ft) end zones and additional ribbon boards

SOUTH END ZONE

The south end zone houses the **Florida State University School of Hospitality**, where students in the program receive hands-on experience in various aspects of the food and beverage industry. The multi-level facility is also home to the Champions Club, which includes private entrances, food and drink service in chair-back seats, covered rooftops with cabanas, and WiFi access with panoramic views of downtown Tallahassee.

NORTH END ZONE

The north end zone consisted of wood bleachers until the 1994 season kicked off. Now, the **Moore Athletic Center** includes a number of amenities for Florida State's student-athletes. The offices overlooking Doak Campbell Stadium house FSU's Athletics executive staff.

NOV. 20, 2004

In a special ceremony prior to the Florida game on November 20, 2004, the home of Florida State football took on a meaning even more special when **Bobby Bowden Field** was dedicated. Now, with numerous additions to enhance the gameday experience, Seminole fans are treated to one of college football's greatest venues.

DUNLAP FOOTBALL CENTER

ALBERT J. AND JUDITH A. DUNLAP FOOTBALL CENTER

Opening during the 2025 season, the Dunlap Football Center became the year-round home to FSU Football. The new 150,000-square-foot building is connected to the Dunlap Athletic Training Facility and includes locker rooms, a spacious weight room, athletic training and hydrotherapy areas, offices for coaches and staff, team auditoriums and position meeting rooms, player lounges and conference rooms, nutrition stations, recovery and rehabilitation resources, video production space, a multi-purpose area, a recruiting center and more.

FSU's two outdoor fields (the Al Dunlap Football Practice Fields) outside of the facility also were updated and feature a new tower between fields for video and viewing purposes. Much of the project was funded by donations, including a $20 million lead gift by Al and Judy Dunlap. Al and Judy Dunlap's lifetime giving to Florida State University exceeds $40 million.

ALBERT J. DUNLAP ATHLETIC TRAINING FACILITY

Florida State unveiled its indoor practice facility in 2013, which allows the Seminoles to practice year-round in state-of-the-art championship facilities without disruptions from inclement weather conditions. The 92,000-square-foot facility features a 120-yard artificial turf field and connects to the brand-new Dunlap Football Center. The facility is climate controlled and includes platforms that allow for multiple video angles to be shot during practices. The field resembles Bobby Bowden Field inside Doak Campbell Stadium and includes garnet end zones.

AL AND JUDY DUNLAP

ALBERT J. AND JUDITH A. DUNLAP CHAMPIONS CLUB

The Dunlap Champions Club occupies the south end zone of Doak Campbell Stadium, offering outdoor seating for 3,500 fans on game day across its 4th to 6th floors. Exclusive features of the Dunlap Champions Club include private loge boxes and various unique seating experiences as well as a dedicated entrance with elevator access, air-conditioned lounge areas, complimentary catered meals and non-alcoholic beverages, private restrooms, comfortable padded stadium seating, and fully stocked bars. An updated Dunlap Champions Club experience was unveiled as part of the larger Doak Campbell Stadium renovations in 2025.

FIRST-CLASS FACILITIES

THE MOORE ATHLETICS CENTER

The main hub on game day for FSU football and the home for Florida State's Department of Athletics is the Moore Athletics Center, which is adjacent to Doak S. Campbell Stadium in the north endzone.

The four-story state-of-the-art building includes the football game day locker room, multi-sport weight room, athletic training and rehab facility, tutorial and study hall space, computer labs for student-athletes, multi-purpose theater for meetings, press conferences and symposiums, classrooms and a dining facility with a full service kitchen and a mailroom. It's the perfect hub of life for FSU's 500-plus student-athletes.

It's also home to the athletics administration and support staff housing the executive staff, business office, computer information services, Seminole Productions, college of communication faculty offices and student edit rooms, academic support, student services, compliance, public relations, Unconquered Media, marketing and promotions, facilities and event management.

The main level showcases Florida State's talented student-athletes with wall-to-wall vibrant memories of historic Seminole seasons and athletic achievements.

THE FLAUMENHAFT FAMILY LOCKER ROOM

The Flaumenhaft Family Locker Room was unveiled to the Florida State football team in spring of 2022. The redesign, which was done by Populous, a global leader in sport and live entertainment venue design, began immediately after the 2021 season concluded and featured a complete reimagining of the existing locker room space as well as the display areas and field entrance.

The FSU Football Locker Room Renovation was a complete redesign of the existing space and surrounding areas leading to the field. All areas were completely demolished and reconstructed with specialty graphics, branding and lighting, along with flat screen monitors and new lockers with individualized player graphics. A trophy room was added to display the rich tradition of the program and celebrate years of success with national championship, conference championship and bowl trophies as well as a unique display of football rings. Former players are also recognized through graphics on locker end-caps as well as an All-American wall display in the entryway to the locker room.

Upgraded audio and video technology elements were also part of the renovation. Club-quality speakers and specialized lighting throughout the space are synchronized from the locker room through entry corridors and out through the new Hype Tunnel to energize the space and the players on their way to the playing field.

The Hype Tunnel, which debuted for the 2021 season, features synchronized lights and music as the team makes its way to enter Bobby Bowden Field.

PLAYERS LOUNGE

Florida State football's one-of-a-kind 6,000-square foot players lounge debuted in January 2016. The Seminoles' players lounge features four 75-inch TVs, gaming systems, multiple arcade games and one very large 50-yard line marker on the ceiling. There are multiple living-room style seating areas, pool tables, ping pong tables and an air hockey table. There's multiple Pop-A-Shot basketball games and a football toss game.

In addition to room-wide surround sound, cell-phone charging stations and a nutrition counter, there are Garnet and Gold flourishes found in nearly every inch of the lounge.

Foosball, pool tables and ping-pong tables feature emblazoned FSU logos and wordmarks, and arcade basketball games are adorned with photos of Osceola and Renegade. Oversized versions of the Seminole head logo and spear, complete with crisp backlights, hang from the walls.

SOD CEMETERY

Florida State's sod cemetery holds chunks of the field from 114 great Seminole wins away from home.

7

Spanning more than seven decades, "sod games" and the Florida State University Sod Cemetery have been a **rich part of the Seminoles college football history**, commemorating many of the greatest victories.

1962

In 1962, as the Seminoles completed their Thursday practice in preparation to face Georgia at Sanford Stadium, Dean Coyle Moore – a long-time professor and member of FSU's athletic board – issued a challenge: **"Bring back some sod from between the hedges at Georgia."**

OCT. 20 - FSU 18, GEORGIA 0

On Saturday, October 20, the Seminoles scored an **18-0 victory over the favored Bulldogs**. Team captain Gene McDowell pulled a small piece of grass from the field, which was presented to Moore at the next football practice. Moore and FSU coach Bill Peterson had the sod buried on the practice field as a symbol of victory. A monument was placed to commemorate the triumph and the tradition of the sod game was born.

ON THE ROAD: UNDERDOG, UF, ACC TITLE, BOWLS

Before leaving for all road games in which Florida State is the underdog, all road games at the University of Florida and all ACC championship and postseason games, Seminole captains gather their teammates to explain the significance of the tradition. **Victorious captains return with a piece of the opponent's turf to be buried in the Sod Cemetery** inside the gates of the practice field.

Away from home and against the odds, Florida State sod games represent the most difficult battles on the football field. The Sod Cemetery stands as a tribute to those triumphs, to be enjoyed by the Seminole faithful.

OSCEOLA & RENEGADE

THE GREATEST TRADITION IN COLLEGE FOOTBALL

The greatest spectacle in college football unfolds moments before kickoff at Doak Campbell Stadium when Osceola charges down the field aboard Renegade, a beautiful Appaloosa, and plants a flaming spear at midfield prior to each home game. This tradition is a tribute to the great Seminole Tribe of Florida.

The tradition was born on Sept. 16, 1978, when a student, portraying the famous Seminole warrior Osceola, led the football team from the tunnel riding a horse as the Seminoles headed into battle against Oklahoma State. The first student to portray Osceola was Jim Kidder riding Renegade I. Since then, six different Renegades and 17 different riders have made the ride and planted the spear, which brings the game day crowd to its feet. In 2018, the tradition of Osceola and Renegade celebrated 40 years, including the 250th spear plant. In 2026, the 18th Osceola takes the field aboard Renegade.

Bill Durham, a 1965 FSU graduate, developed the concept of the Osceola and Renegade tradition. He launched the tradition at Florida State University in 1978 after obtaining permission from the Seminole Tribe of Florida. The Durham family provides the beautiful Appaloosa horses involved with the program and has directed the Osceola and Renegade program since its inception with the assistance of the members of the Renegade Team. The regalia used by Osceola is designed for authenticity and approved by the Seminole Tribe of Florida.

Prior to the 2011 season, ESPN's *SportsNation* voted Osceola and Renegade the best NCAA Football Tradition in the country. A framed rendering of the spear plant was presented to the Durham family during the Oklahoma game on Sept. 17, 2011. That rendering now resides in the Moore Athletics Center.

In 2013, Osceola and Renegade made their second appearance at a National Championship Game, traveling to the Rose Bowl in Pasadena, California, to watch the Seminoles claim their third national title. Osceola and Renegade also appeared at the Orange Bowl where Florida State won its first national championship to cap the 1993 season.

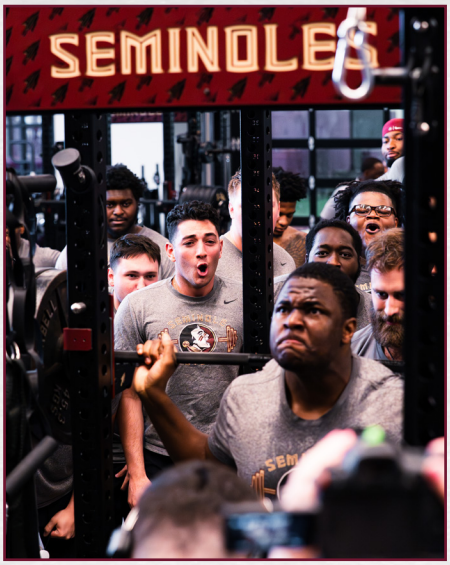
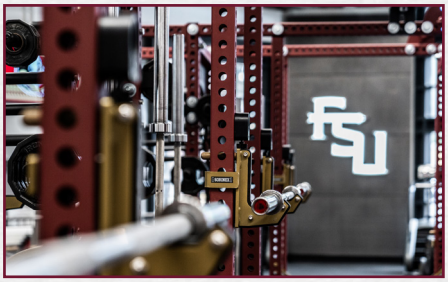
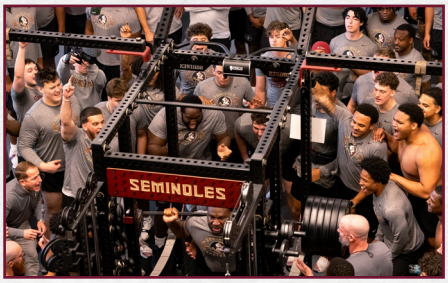
STRENGTH & CONDITIONING

OWENS FAMILY WEIGHT ROOM

Part of the $138 million Dunlap Football Center, the Owens Family Weight Room was built in 2025 and includes brand new Sorinex products throughout the two-story facility. Powered by Director of Football Strength and Conditioning Josh Storms, the goal of the Seminole strength program is to safely, effectively and efficiently prepare our student-athletes for the rigors of football.







PERFORMANCE NUTRITION

MISSION STATEMENT

Our mission for the Performance Nutrition Program at Florida State University is to provide evidence-based nutrition services that will maximize the performance of our student-athletes on and off the field of play. We strive to provide nutrition that ensures maximal athletic performance as well as comprehensive nutrition education that the student-athlete can utilize throughout their lifetime.

"THE MISSING LINK"

Nutrition can often times be the "missing link" for athletes in their training. Proper nutrition can help prevent injury, enhance the benefits of strength training programs and aid in the recovery process. Adequate fueling can turn an elite athlete into a champion.

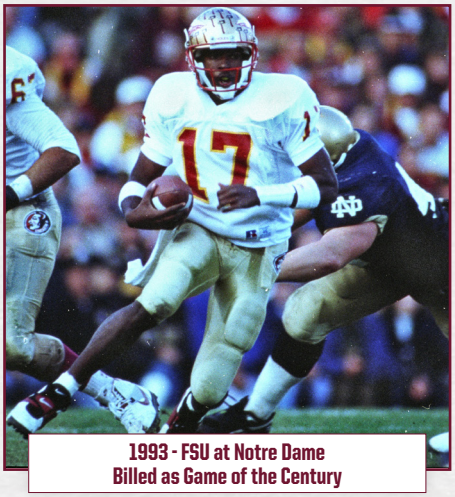
NUTRITION EDUCATION

Every interaction is an opportunity to educate the student-athletes on how to properly fuel themselves. We provide team talks, cooking classes, handouts and one-on-one counseling to provide strategies to prepare student-athletes not only for athletic success, but to educate them for life after football.

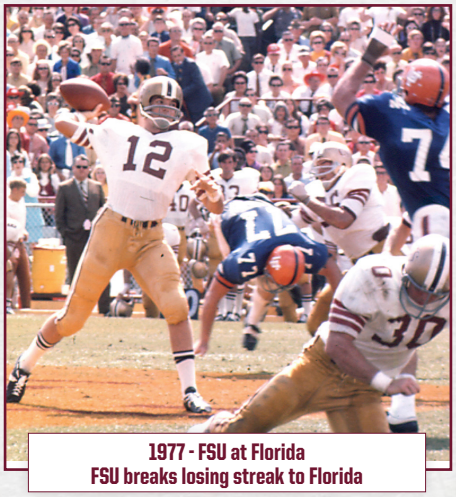
FUELING THE ATHLETE

The performance nutrition staff offers a variety of different options for student-athletes to properly fuel themselves for their performance. We provide pre/post workout nutrition tailored to the needs of each student-athlete. The sports nutrition staff also provides nutrition around competition, on the road traveling and meal planning.

HISTORY OF FSU FOOTBALL



1993 - FSU at Notre Dame
Billed as Game of the Century



1977 - FSU at Florida
FSU breaks losing streak to Florida

1851

Florida State University actually began in 1851 when a legislative act established the Seminary West of the Suwannee. The first students enrolled in 1857 and the Florida State College was co-educational until 1905 when the Buckman Bill sent all the female students to the "new" Florida State College for Women. The huge numbers of male college students wishing to enter school on the G.I. Bill after World War II forced the legislature to make FSU co-educational in 1946.

1902-04

Thirty-three years after Princeton and Rutgers kicked off American college football, the Florida State College played three seasons of football in Tallahassee. **From 1902-1904, FSC played wearing the colors purple and gold**. The 1904 squad was crowned state champions after defeating the University of Florida at Lake City and Stetson.

1946

Florida State University became a co-educational institution in 1946 when the first male students were enrolled, most of whom were coming back from World War II. The transition from FSCW, which was regarded as one of the nation's top colleges, to the new institution was remarkably quick and the development of an athletics program was almost as rapid.

1947

Florida State University fielded a football team in 1947 coached by Ed Williamson. On October 18, 1947, Stetson kicked off to the FSU three yard line. Don Grant returned the kickoff to the FSU 32 and 7,165 fans at Centennial Field celebrated the first football game. The team finished 0-5.

1948

Don Veller became FSU's second football coach in 1948 and would coach the team until 1952. An outstanding player at Indiana University, Veller inherited 20 lettermen from the first year, but only 12 would letter in 1948. Veller would lose just two games over his first three years, including an undefeated 8-0 campaign in 1950.

1950

Florida State played its first football game in Doak S. Campbell Stadium on Oct. 7, 1950 against Randolph Macon. 9,676 fans watched the Seminoles win 40-7, but the new home field was a story in itself. It was built on a former cow pasture and was completed in just five months. Tallahassean Rainey Cawthon was instrumental in selling over 1,000 season tickets at $50.00 each to fund the stadium and won a wheelbarrow ride down Monroe Street from contractor Red Coleman, who missed the completion date by two days. FSU players painted the stadium over the next summer for $1 per hour.

1953

Tom Nugent became FSU's third head coach in 1953 and would coach the Seminoles until leaving to become Maryland's head coach in 1958. An innovator on a national level, **Nugent developed the I-formation and the typewriter huddle**. Among the players he coached were FSU greats Bobby Renn and Lee Corso as well as a talented tailback named Burt Reynolds whose career was cut short by injury.

1960-70

Florida State's **arrival on the national map** occurred during Bill Peterson's 11 seasons as head coach. He came in 1960 when free substitution was still five years away in the game. He moved FSU boldly into the forefront of the passing game and led the Tribe to its biggest win yet when they topped No. 5 Kentucky 48-6 in 1964. He would post a 62-42-11 record in Tallahassee. Among a host of other things, Peterson developed the concept of the "hot receiver" in 1964 that remains in most offenses today.

1964

Fred Biletnikoff became FSU's first consensus All-American as a senior in 1964. He ranked fourth nationally with 57 receptions for 11 touchdowns which did not include his four touchdowns in the Gator Bowl win over Oklahoma. Biletnikoff put FSU on the map and he was married under the goalposts at Doak Campbell in 1965. He would go on to have a Hall of Fame career with the Oakland Raiders. The national award given to the top college receiver in the country is named after him.

1966

Ron Sellers began a career at Florida State that would prove one of the **most prolific in college history**. He gained an unheard of 3,979 yards over his career. His statistics were so impressive that most lasted as national records all the way until 1987. He caught passes in 30 consecutive games and averaged 119.9 yards per game. He is a member of the College Football Hall of Fame.

1970

While integration of schools throughout the country came painfully slow, **Florida State's first African-American player took the field in 1970**. J.T. Thomas was a starter from the first game he played at FSU and he backed a sterling college career with three Super Bowl rings earned as a member of the Pittsburgh Steelers.

1971

Larry Jones coached the Seminoles from 1971-1973. An 0-11 campaign in his last year spelled the end for the coach. Among notable players during his era were outstanding wide receiver Barry Smith, quarterback Gary Huff and Alabama transfer **Billy Sexton**.

1974-75

Darryl Mudra coached the Seminoles for two seasons and did his work from the pressbox on game day. Perhaps the biggest accomplishment of Mudra's brief tenure, that included the **NCAA mandated scholarship limits for the first time**, was the signing of an unheralded running back named Larry Key. Key would prove to be one of the finest running backs in Seminole history.

1976

FSU president Stanley Marshall and athletic director John Bridgers set up a dinner meeting at an airport hotel in Tampa where West Virginia head coach **Bobby Bowden** was coaching an all-star game known as the American Bowl. They offered him a four-year contract worth $37,500 and he became the Seminoles' eighth head coach on Jan. 12. Bowden was interviewed for the job six years earlier when it went to Larry Jones, but FSU officials felt he lacked the experience.

DID YOU KNOW?

Scholarships In '51

It was not until **1951** that Florida State began to grant athletic scholarships and the move put added pressure on the program to win. FSU left the Dixie Conference and petitioned for membership in the Atlantic Coast Conference and the Southeastern Conference but were rebuffed. Interestingly, it was the University of Florida that sponsored FSU for admission to the SEC.

Seminoles First To Score Two

The late Vic Prinzi, who is a member of the Florida State Hall of Fame and was the color commentator for the radio network until his death in 1997, was **the first college player ever to score a two-point conversion**. On Sept. 13, 1958, the Seminoles took the season-opening drive of the Tennessee Tech game in for a touchdown and Prinzi, playing quarterback, ran in the two-point conversion to beat the other national games by just minutes.

Football Since 1902 Actually

Florida State College actually **played football during the 1902-1904 school years** and played it well. The first game in 1902 was a 5-0 win over South Georgia Military on Nov. 21 when touchdowns were worth five points. The NCAA nor the governing body at the time recognizes the early games for FSC, although the school won the state championship in 1904. The 1904 season included a 23-0 win over Florida in Lake City, Fla. The school then became the Florida State College for Women and would remain one of the nation's top all-female institutions until the large number of returning veterans from World War II triggered the state system to open Florida State University to men in 1946. The school resumed football in 1947, taking on Stetson in its first game.

1977

Florida State ended a nine year drought versus the Florida Gators in convincing style with a 37-9 victory before 63,563 fans in Gainesville. The victory capped a brilliant regular season for the Garnet and Gold. It was the ninth victory in 11 games, the first time in Seminole history the school had recorded nine wins during the regular season. And, the win also returned FSU football to respectability throughout the south since head coach Bobby Bowden had said more than once that the program "would not be turned around until we beat Florida." Thus the victory - only the third in the 20 year series for the Seminoles - was more important than any other win in recent memory for Seminole coaches and boosters.

1979-80

Florida State got its first taste of the real big-time in 1979 and 1980 going to **back-to-back Orange Bowls** against Oklahoma. FSU went undefeated (11-0) over the regular season in 1979, but lost 24-7 to the Sooners and finished sixth in the final AP poll. FSU took a 10-1 record into the Orange Bowl showdown the next year before losing a heartbreaker 18-17.

1980

If one game can be singled out as the most important in the run of unprecedented success at Florida State, it would be **the contest at Nebraska on Sept. 7, 1980**. FSU won in Lincoln, 18-14, opening the eyes of the entire country. Nebraska fans shook off a mixture of shock and confusion to stand and give Bobby Bowden and his Seminoles a standing ovation as they left the field.

1981

FSU takes on the following schools in order **all on the road**: Nebraska, Ohio State, Notre Dame, Pitt and LSU. FSU won at Ohio State, Notre Dame and LSU, but, more importantly, won fans coast to coast for its undaunted spirit.

1981

In 1981 a **freshman tailback named Greg Allen** was given the football in the middle of legendary Death Valley with a sea of LSU fans around him. He finished the day with a remarkable 202 rushing yards that signaled the arrival of a superstar for the Seminoles. Later that year, he would rip Western Carolina for 322 rushing yards, which still stands as the best rushing game ever for a Seminole.

1986
Deion Sanders spent a quiet first two years at Florida State before exploding on the national scene in a preseason press conference. He would become one of the most popular players ever in college football and one of the greatest athletes in FSU history.

1991-92
On July 1, 1991, **the Atlantic Coast Conference accepted Florida State University** as its ninth member and the first addition to the league since Georgia Tech joined in 1978. FSU had competed in the Metro Conference for all sports other than football, which had been an independent. FSU's first ACC football game was a 48-21 win over Duke on Sept. 7, 1992.

1993
The Seminoles won their **first national championship** behind Heisman Trophy winner Charlie Ward in 1993. FSU played Nebraska in the national title game at the Orange Bowl and used freshman Scott Bentley's late field goal to win 18-16.

1995
A 31-26 come-from-behind win in the fourth quarter of the Orange Bowl against Notre Dame was **FSU's 11th consecutive bowl win**. The streak set an NCAA record as was FSU's 14-game unbeaten streak in bowls that was spoiled only by a 17-17 tie with Georgia in the 1984 Citrus Bowl.

1999
Bobby Bowden used to keep an empty picture frame in his office, which was reserved for his **first perfect season**. He filled the frame with a 1999 team photo. The Seminoles finished the year 12-0 and topped off the record run with a 46-29 win over Virginia Tech for the national championship in the Sugar Bowl.

2000
Chris Weinke literally rewrote the FSU record book over his senior season and **took home the second Heisman Trophy for a Seminole player** when he won the award in December of 2000. He would finish his career with a record of 32-3 as a starter.

THE BOWDEN ERA

A LEGACY LEFT

Bobby Bowden's legacy left Florida State with two national championships (1993 & 1999), 12 ACC Championships, 31 bowl appearances, 33 consecutive winning seasons, two Heisman Trophy winners, 34 first round NFL Draft Picks, 107 NFL draftees from 1992-2009, and 118 ACC Wins.

1976
Although FSU had considered dropping football due to a 4-29 record over the previous four seasons, Bobby Bowden is hired as head coach and records his only losing season at FSU with a 5-6 mark.

1977
In one season, Bowden turns the program around with a 10-2 record, FSU's first-ever 10-win season. Under Bowden's direction, FSU won its first bowl game since 1964 with a 40-17 drumming of Texas Tech in the 1977 Tangerine Bowl.

1978
Bowden and Florida State received the program's first preseason national ranking at No. 17. He led the Seminoles to a second straight win over Florida, marking the first time in history FSU had recorded two straight wins over the Gators.

1979
Bowden led FSU to the Orange Bowl in its first ever New Year's Day bowl. Bowden recorded FSU's first ever unbeaten regular season and the highest AP ranking at No. 4 entering the postseason and coached FSU to a school-record 11 wins.

1980
Bowden's 1980 team was the first in program history to finish in the AP Top 5. When it's looked at how FSU became a national power, the 18-14 win at Nebraska always comes to mind as a landmark victory. He was named National Coach of the Year (Bobby Dodd).

1981
Bowden and Florida State gained notoriety with a schedule that lined FSU up in successive weeks on the road against Nebraska, Ohio State, Notre Dame, Pitt and LSU. The Seminoles went 3-2 in that stretch while Florida State's overall schedule was nicknamed "Murderer's Row" and "Octoberfest."

1982
For the second straight year, Bowden and the Seminoles faced the nation's toughest schedule according to the NCAA. Bowden reached into his bag of tricks for a 34-17 upset win at Ohio State.

1983
Bowden surpassed former head coach Bill Peterson as the all-time winningest coach at FSU. He was inducted into the Florida Sports Hall of Fame. The "War Chant" saw its birth and FSU sported its "mustard" uniforms for the first and only time.

1984
Greg Allen recorded Florida State's first 1,000 yard rushing season. Bowden continued his creative play calls as Jessie Hester scored on a 77-yard reverse as FSU stunned defending national champion Miami, 38-3, in the Orange Bowl.

1985
Bowden coached FSU to its ninth straight winning season, capped off by a 34-23 Gator Bowl victory over Oklahoma State. Perhaps FSU's biggest victory came in the second game when FSU traveled to No. 10 Nebraska and defeated the Cornhuskers 17-13, a game Bowden would later call "one of the biggest wins in FSU history."

1986
Bowden and FSU recorded a 56-14 pounding of South Carolina in FSU's first-ever appearance on ESPN. Bowden led FSU to a perfect 6-0 record at home and the most points scored in a game by FSU in history with a 76-14 win over Tulsa. He was inducted into the Alabama Sports Hall of Fame.

1987
Bowden missed his first national championship by one point when two Miami defenders knocked down a two-point conversion and FSU fell 26-25. FSU snapped a six-game losing skid to the Gators which marked Bowden's 100th victory at FSU.

1988
Bowden's preseason No. 1 ranked team fell at Miami breaking its streak of 11 opening day victories. The Seminoles would not lose again, winning 11 straight games. Bowden called one of his greatest trick plays, the Puntrooskie, at Clemson. FSU drubbed Florida 52-17 for the Seminoles' largest victory margin over the Gators.

1989
After a loss to Clemson, FSU went on to win 10 straight and earn a Top 3 ranking for the third straight year. FSU played in a third straight New Year's Day bowl with a win over Nebraska in the Fiesta Bowl, extending its bowl unbeaten streak to eight.

1990
Bowden earned his 200th career victory when FSU beat LSU 42-3. The 1990 meeting with Florida marked the first time in the series that both teams were ranked in the Top 10 as No. 8 FSU defeated No. 6 UF 45-30. Bowden and FSU beat Joe Paterno's No. 7 Penn State Nittany Lions 24-17 in the Blockbuster Bowl.

1991
Bowden was named National Coach of the Year (Walter Camp) and led FSU to an 11-2 mark and fifth straight season of 10 or more wins. FSU was preseason No. 1 and stayed there 11 weeks before falling to Miami in Wide Right I. FSU defeated No. 3 Michigan 51-31, the most points ever allowed in the Big House.

1992
Bowden and FSU beat Duke in FSU's first game as a member of the ACC. FSU suffered Wide Right II at Miami and fans saw the birth of the "fast-break offense" in the comeback win at Georgia Tech. Marvin Jones became the first Seminole to capture two national awards. Bowden was named the 1992 Neyland Trophy Winner.

On Oct. 26, 2013, Bowden returned to Doak Campbell Stadium for the first time since his final season in 2009. In what was coined "Bobby Bowden Day," the coaching legend was honored prior to Florida State's game against NC State, which was won 49-17 by the 'Noles. Bowden planted the spear once again and gave a thank you speech to the Garnet and Gold crowd, talking about his memories as FSU's cherished leader.

BOWDEN IN BRONZE

Former head coach Bobby Bowden is bigger than life in front of the Moore Athletics Center at Florida State as a bronze statue of his likeness was unveiled in a ceremony on Sept. 24, 2004. The statue is one-and-a-half life-size of Bowden and was sculpted by Tallahassee artist Stanley Proctor. The artist also created a smaller piece of artwork, measuring just over 12 inches high, featuring Bowden and Doak Campbell Stadium.

1993
Bowden brought home FSU's first national title with an 18-16 win over Nebraska in the Orange Bowl. Charlie Ward became FSU's first Heisman Trophy winner and won every award he was eligible for. Bowden was named ACC Coach of the Year and led FSU to 12 victories for the first time in school history.

1994
Bowden's squad set an NCAA record with the amazing 28 point fourth quarter comeback against Florida. He led the Seminoles to another ACC Title and Top 4 national ranking. Florida State would play Florida a second time in a game dubbed the Fifth Quarter in the French Quarter, as FSU won 23-17 in the Sugar Bowl.

1995
Florida State's streak of 29 straight ACC wins came to an end with a loss at Virginia. FSU still won the ACC Championship and the victory over Notre Dame in the Orange Bowl preserved its NCAA record 11th straight bowl win. Bowden earned career win No. 250 in his 20th year as Florida State's head coach.

1996
Bowden guided FSU to its second national championship game as FSU celebrated 50 years of Seminole football. Florida State fell in a rematch to Florida in the national championship. Bowden was honored as the 1996 National Coach of the Year (Home Depot). FSU finished the season ranked No. 3.

1997
Bowden and FSU went 11-1 for the second straight season, capped off by a win over Ohio State in the Sugar Bowl. Bowden recorded his 200th victory at FSU. He was named ACC Coach of the Year for the second time. FSU finished No. 3, keeping alive the streak of 11 straight seasons of Top 4 finishes in the AP poll.

1998
Bowden led FSU to its second national championship appearance in three years. FSU won another ACC Championship despite falling at NC State 24-7 in only the second ACC loss for the Seminoles since joining the league. FSU went 11-2 and with a Top 4 ranking (No. 3) and 10 or more wins for a 12th-straight season.

1999
Bowden led FSU to its first undefeated season as FSU became the first team in the history of college football to go wire-to-wire as the AP No. 1 ranked team. Bowden was named National Coach of the Year (Home Depot), a National Coach of the Decade Finalist (Home Depot) and his Seminoles were honored as the ESPN College Team of the Decade (any sport).

2000
FSU played in its third straight national championship game and fourth in five years. The 2000 season was the last of Bowden's streak of 14 straight AP Top 5 finishes and 14 straight seasons of 10 or more wins. The Seminoles finished the season 11-2, 8-0 in the ACC and a No. 5 ranking in the AP final poll.

2001
For the first time since joining the ACC in 1992, Bowden's Seminoles did not win the ACC championship but still went to their 11th straight New Year's Day bowl with an invitation to the Gator Bowl where FSU defeated Virginia Tech. With that win, Bowden tied Bear Bryant for second place on the all-time coaching wins list with 323.

2002
Florida State returned to the top of the ACC and the Seminoles played Georgia in the Sugar Bowl. FSU concluded the season ranked 21st in the final AP poll. During the season, Bowden recorded his 250th victory at Florida State and 325th victory of his career.

FSU concluded the season with a win over Wisconsin in the Champs Sports Bowl and touted the nation's longest bowl streak at 27 straight. In FSU's win over Colorado in Jacksonville, Bowden recorded his 500th game as a head coach.

On December 1st, Bowden announced that the bowl game would be his last as head coach of Florida State. He was carried off the field in his final game as his Seminoles defeated West Virginia, the school he coached prior to coming to FSU, in the Gator Bowl.

FSU FOOTBALL TRADITION

FSU Fight Song

While the "War Chant" has become familiar at FSU games, the **Florida State fight song still remains the definitive sound of Seminole sports**. FSU's band became the Marching Chiefs in 1950 and with that came the fight song. Tommy Wright, a member of the faculty in the School of Music, was perturbed that the Seminoles had been using "On Wisconsin" and the "Notre Dame Victory March" so he introduced the song in the Sewanee game, setting to music a poem by FSU Alumni Doug Alley.

History of the Garnet and Gold

Florida State's school colors of **garnet and gold** date back to the Florida State College championship football teams of 1904 and 1905. In those championship seasons, FSC donned purple and gold uniforms. When Florida State College became Florida Female College in 1905, the football team was forced to attend the University of Florida. The following year the FFC student body selected crimson as the official school color of 1905. The administration in 1905 took crimson and combined it with the recognizable purple of the championship football teams to achieve the color garnet. The now-famous garnet and gold colors were first used on an FSU uniform against Stetson on Oct. 18, 1947.

War Chant

Florida State's "war chant" appears to have **begun with a random occurrence** that took place during a 1984 game against Auburn. In the 1960s, the Marching Chiefs would chant the melody of a popular FSU cheer. In a sense, that chant was the long version of FSU's current "war chant." During a thrilling game with Auburn in 1984, the Marching Chiefs began to perform the dormant melody. Some students behind the band joined in and continued the "war chant" portion after the band had ceased. Most agree the chant came from the fraternity section, but many spirited Seminole fans added the now-famous hand motion. The chant continued among the student body during the 1985 season, and by the 1986 season, it was a stadium-wide phenomenon. Of course, the Marching Chiefs refined the chant, plus put their own special brand of accompaniment to the "war chant," for the sound we hear today. Atlanta Braves fans took up their version of the song and chant when former FSU star Deion Sanders came to the plate as an outfielder. The Kansas City Chiefs first heard it when the Northwest Missouri State band, directed by 1969 FSU graduate Al Sergel, performed the chant while the players were warming up for a game against San Diego.

Goal Posts Salute Peterson

The Bill Peterson era as head football coach at FSU was a time of **great offensive innovation** and of many firsts for the upstart Seminole program, including the first Seminole coach to beat the Gators at Florida Field, coaching the program's first All-American in Fred Biletnikoff and recruiting James Thomas, the first African American player to ever play football at FSU. A tradition of the Peterson era was to enter the field through the goal posts. As a tribute to the players and coaches of the Peterson era and their many firsts, "H" style goal posts were added to the field at Doak Campbell Stadium prior to the 2002 season and will forever be referred to as "Pete's Posts."

Tomahawks Can Be Won and Lost

Florida State's coaching staff and academic staff **award tomahawks** to individual players for great plays or contributions on the field and in the classroom. Players may get a tomahawk for a crucial play, a touchdown, a saving tackle or various other achievements on the field. In 1997 the Seminoles began receiving tomahawks for outstanding academic achievements as well. They look identical except the word academics runs down the handle of the tomahawk. What many fans do not know is that Florida State players can actually lose tomahawks as well. Poor performance on the field or in the classroom can cause a player to be stripped of the coveted decals.

SPECIAL LANDMARKS

"Unconquered"

Dedicated on Oct.10, 2003, Fritz White's **bronze statue "Unconquered"** was designed to capture the indomitable spirit of the Seminole people and those who have adopted that spirit as a symbol for their university. The massive structure, including its granite-covered pedestal base, stands approximately 31 feet in the air and depicts a spear-brandishing Seminole astride a rearing horse. At sunset the night before each home game, the spear is ignited and burns until sunrise on the morning after the game. George Langford's endowment of the project for up to $1 million helped make the statue a reality. Fifty-one artists were then considered before White eventually saw the statue dedicated 10 years after the concept was inspired by attorney and FSU graduate Stephen Reilly's trip to South Bend, Ind. for an FSU football game.

Sportsmanship Statue

Between Gates B and C of Doak Campbell Stadium stands the one ton, **15-foot tall Sportsmanship Statue** given in honor of Pappy Strum by his daughter Margaret Strum Allesee, who is an FSU graduate and former Seminole cheerleader. The enduring symbol of the most important aspect of athletic competition was sculpted by FSU alumnus and accomplished artist Edward Jonas.

Three Different Helmets to One

For one season in 1962 the Florida State Seminoles **took the field with three different helmets**. Coach Bill Peterson's three-team system featured the two-way Chiefs, the defensive Renegades and the offensive Warriors with each group wearing a different helmet. By 1963 the Seminoles were back to just one helmet, an all-gold version which once again lasted just one season as the word "State" was added in 1964.

NIKE

VISION

As Florida State University leads and embraces the future — entering new markets, connecting with new students, faculty and staff, and expanding its presence —it is essential that the Florida State Athletics brand grows with the university. The objective of this exercise is to make sure that the brand is consistent across all applications and captures new audiences in an authentic and meaningful way. The Seminole Tribe of Florida was consulted through the brand development process and approved all modifications of these beloved symbols.

THE FLORIDA STATE UNIVERSITY ATHLETICS BRAND

What are the elements that make up our Brand Identity? The words you choose. The type you use. The colors, graphics, and imagery you display. A unique and iconic primary logo. The way you position and apply the primary logo. These are the key building blocks that help tell the Florida State story and shape people's perception of Florida State University.

Perfection is in the details. Underlying all Florida State brand expressions is a detailed, well-ordered system of visual assets. This unified system defines the Florida State experience.

EVOLUTION NOT REVOLUTION

At first glance, the new Florida State Brand Identity System may look revolutionary. It's bold and intriguing. It's designed to serve as an evolution of an already iconic identity and position the brand for the future.

BRAND ATTRIBUTES

Brand Attributes are a set of characteristics that represent the essence of the Florida State brand. These attributes identify personality traits and serve as a filter for all of the components of the identity system. When you experience the Florida State brand, we want you to be reminded of:

RESPECT | INTEGRITY | STRENGTH | PRIDE
CHARACTER | FIGHT | PASSION | LEADERSHIP
FAMILY | TRADITION

PRIMARY IDENTITY– THE SEMINOLE LOGO

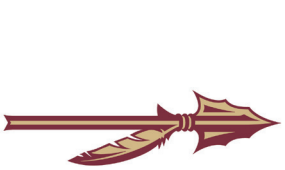
The Seminole logo is indisputably iconic and unique to Florida State Athletics. It signals a consistent foundation—honoring the brand equity that has been built across decades of competition while creating distinction and reinforcing the brand for the next generation. The mark is strong, youthful and bold paying off the true attributes of a Seminole Warrior. It purposefully incorporates the Florida State color palette, and with the head held high it expresses our position with purpose and conviction.

The Seminole logo is the primary representation of the brand and is used as the main identifying device for athletics. Reinforcement of the primary identity will build equity in Florida State Athletics. In primary or secondary colors, the Seminole logo works well across all media. With a flexible approach to palettes and logo staging, the Seminole logo now comes alive with renewed spark and energy.

FSU LOGO

The FSU Logo is a stylistic ligature. At the origin of typographical ligatures is the simple running together of letters in manuscripts. In writing and typography, a typographic ligature occurs where two or more letters are joined as a single glyph.

The FSU Logo was created from the custom unconquered alphabet. It works closely in support of the primary identity to represent Seminole Athletics. This type-based mark gives the identity flexibility while staying consistent with the main look and feel.



SEMINOLE SPEAR

Perhaps the most spectacular tradition in all of college football occurs in Doak Campbell Stadium when a student portraying the famous Seminole leader, Osceola, charges down the field riding an Appaloosa horse named Renegade and plants a flaming spear at midfield to begin every home game. Together, Osceola and Renegade highlight a pre-game ritual, considered to be one of the most popular in the nation.

Florida State's trademark helmet with the Seminole spear is well known throughout all of college football. This design was first introduced during Bobby Bowden's first year as head coach in 1976. Prior to that season, FSU had used a variety of different helmets ranging from gold with a garnet FSU, solid gold with garnet and white striping, an image of the state of Florida with STATE running down it, and various others. The refined spear now reflects the same visual language as the other elements of the identity system.

SEMINOLE PATTERN

In the early 1900s, a new decorative technique was developed by Seminole women, now commonly known as patchwork. Early patterns included blocks and bars of alternating color with occasional sawtooth designs that were sewn directly into garments. Patchwork was rapidly adopted as a standard means of embellishing the Seminoles' traditionally vibrant clothing. These authentic and meaningful patterns live on through today's Seminole natives, and are now an official element of the performance apparel palette for Florida State Athletics.

FSU and Nike were determined to incorporate meaningful symbolism into their uniforms and designers included Seminole lore in each element. The Seminole symbols for Arrow, Man on Horse and Fire (top to bottom, repeating) were the inspiration for this unique pattern.

THE TRADITION OF EXCELLENCE

Consistency. It is the mark of true excellence in any endeavor.

In today's intercollegiate athletics, competition is so balanced and so competitive that it is virtually impossible to maintain a high level of consistency. Yet the Atlantic Coast Conference has defied the odds.

Established in 1953, the ACC has long enjoyed a reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture; the numbers support it.

Over 73 years of competition, ACC schools have claimed a total of 204 NCAA team championships — including 108 in women's sports, 90 in men's sports, and six in coed fencing. In addition, ACC student-athletes have earned 504 individual NCAA titles, with 234 in men's competition and 270 in women's events, further showcasing the depth of talent and excellence across the conference.

Over the last five years (2021–22 through 2025–26), the ACC has achieved unparalleled national success, winning six or more NCAA team championships each year—the best five-year stretch in conference history.

ACC teams captured a league-record nine NCAA championships in 2022–23. Combined with seven national titles in 2021–22, 2023–24 and 2025–26, and six more in 2024–25, the ACC has won 36 NCAA team championships in league-sponsored sports over the past five years.

For 19 straight years, the ACC has led the way among Football Bowl Subdivision (FBS) conferences in the "Best Colleges" rankings released by U.S. News & World Report.

In August 2019, the ACC and ESPN partnered to launch ACC Network (ACCN) — a 24/7 national platform dedicated to ACC sports and original programming highlighting the conference's member schools, student-athletes, and traditions. In August 2024, ACCN celebrated its five-year anniversary with a special broadcast honoring the ACC's most memorable teams, coaches, student-athletes, and moments since its launch on August 22, 2019.

Now in its 74th year, the Atlantic Coast Conference has grown to 18 member institutions and remains one of the most respected and competitive intercollegiate conferences in the nation. From coast to coast, the ACC represents a remarkable blend of academic distinction, elite athletic performance, and unwavering integrity — the very cornerstones on which the league was founded in 1953.

The conference's membership includes Boston College, California, Clemson, Duke, Florida State, Georgia Tech, Louisville, Miami, North Carolina, NC State, Notre Dame, Pitt, SMU, Stanford, Syracuse, Virginia, Virginia Tech and Wake Forest. Each institution brings a rich tradition and a shared commitment to developing student-athletes who excel in both the classroom and in competition.

Today, more than 12,200 student-athletes at the ACC's 18 member institutions compete at the highest level of NCAA athletics, showcasing the ACC's unparalleled depth, national reach and continued impact on the collegiate landscape.

ACC FOOTBALL

The Atlantic Coast Conference continues to make its mark on the national stage, proving year after year that excellence runs deep across the league.

The ACC has had a team appear in either the College Football Playoff or BCS National Championship Game in 10 of the past 13 seasons, including two teams in both 2020 and again in 2024, making the ACC one of only three conferences to place multiple teams in the CFP in 2024.

In 2024, the ACC set a league record with 13 teams earning postseason bowl invitations — the most of any conference. It marked the 24th consecutive season in which the ACC earned at least six bowl bids and, outside of the pandemic-altered 2020 season, the conference has sent at least nine teams to bowl games every year since 2014.

The ACC has also demonstrated unmatched depth, placing 11 teams in postseason competition (CFP and bowl games) in each of the last three seasons — the longest such streak by any FBS conference. The 2025 season marked the eighth time since 2014 that the ACC produced double-digit bowl-eligible teams, reflecting the league's depth, consistency, and national competitiveness.

THE CHAMPIONSHIPS

The ACC conducts championship competitions in 28 sports – 13 for men and 15 for women.

The first ACC championship held was in swimming at North Carolina State University on February 25, 1954.

The 13 sports for men include football, cross country, soccer, basketball, fencing, swimming & diving, indoor and outdoor track & field, wrestling, baseball, tennis, golf and lacrosse. Women's sports were initiated in 1977 with the first championship held in tennis on October 6-8 at Wake Forest University. Championships for women are currently conducted in cross country, field hockey, soccer, basketball, fencing, swimming & diving, indoor and outdoor track & field, gymnastics, tennis, golf, lacrosse, softball and rowing, with volleyball deciding its champion by regular season play.

No FBS conference sponsors more than 28 sports, nor features more than 15 women's sports.

ACC HISTORY

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, North Carolina, with seven charter members – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – drawing up the conference bylaws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, North Carolina, where a set of bylaws was adopted, and the name became officially the Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were Dixie, Mid-South, Mid-Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed $200.00 to pay for conference expenses.

THE SEMINOLE TRIBE OF FLORIDA
THE UNCONQUERED PEOPLE

By Barry Ray, FSU Office of News and Public Affairs

As a people, few have prevailed over more trying circumstances than the Seminole Indians of Florida. Over the course of almost two centuries, Florida's Seminoles endured three wars with the U.S. government, resisted numerous efforts to relocate them to federal reservations in the West, and ultimately made their home in one of the world's most inhospitable environments, the Florida Everglades. That they have not only survived, but thrived — all the while maintaining their fierce independence and rich culture — is a tribute to their courage and perseverance. This is their story.

Long before European explorers ever visited the area now known as Florida, native peoples had been living here for thousands of years. In fact, as many as 100,000 members of four Indian nations — the Apalachee, the Tequesta, the Timucua and the Calusa — were living in highly organized settlements throughout the peninsula when the Spanish first arrived in 1513.

The native peoples' lack of resistance to smallpox, yellow fever and other "European" diseases, as well as later slaving raids from the English colonies of Georgia and South Carolina, eventually decimated their numbers. By the mid-18th century, the Indian nations of Florida had ceased to exist.

In their place, groups of Indians from a confederation of tribes collectively referred to as the Lower Creeks began moving into Florida from Alabama and Georgia. They had been pushed out of their former homes by the encroachment of white settlers, as well as by conflicts with other tribes. It was around this time that the name "Seminoles" first appeared; there are several possible explanations as to its origins.

When the first English speakers began arriving in Florida in 1763, they found many Creeks living as yat'siminoli, or "free people," across the northern part of the Florida peninsula. ("Yat'siminoli" was a term used in the Mikisúkî, or Miccosukee, language, which still is spoken today.) The settlers may have simply ignored the Indians' separate tribal affiliations and called them all Seminolies, or Seminoles.

Others believe that the Seminole name comes from the Spanish word cimarron, meaning "wild men" or "unconquered." The Indians may have been given this name because they had escaped from slavery in the English-controlled colonies to the north.

With the end of the American Revolutionary War in 1784, English-speaking settlers began moving southward in ever greater numbers, buying or seizing land from the native inhabitants. By 1813, some of the Creek tribes in Alabama rose up against the white settlers and the Indian tribes that supported them. This conflict, known as the Creek War of 1813-14, proved disastrous to all of the tribes. U.S. troops led by Gen. Andrew Jackson crushed the uprising and forced a treaty on the Creeks that took more than 2 million acres of land from them. Several thousand Creek warriors and their families migrated south into Spanish Florida, where they and the Seminoles increased their resistance to white settlement.

In 1814, such conflicts escalated into the first of three Seminole wars. Over the next four years, Jackson illegally entered Spanish Florida numerous times to burn Seminole villages and kill resistance leaders.

With the end of the First Seminole War in 1818, many Indians moved further into Florida. By 1820, the year before Spanish Florida became a U.S. territory, there were at least 5,000 Seminoles, Creeks and Mikisúkî people living here. However, a series of federal treaties failed to protect their rights and, in 1835, war broke out again.

The Second Seminole War (1835-42) proved to be the longest, most costly, and the last of the U.S. wars of Indian removal fought east of the Mississippi River. It also would be the first guerilla-style war faced by U.S. troops. Led by the fierce warrior Osceola, the Seminoles were aided by runaway slaves, who received protection from their allies in return for a portion of the agricultural staples that they grew. These so-called "Black Seminoles" also had a reputation as fierce fighters, and were equally determined to preserve their freedom.

THE SYMBOL: SEMINOLES

Florida State would play two games in 1947 before students demanded the school acquire a symbol. While details conflict, most believe the account of a poll of the student body is accurate. The Florida Flambeau reported that Seminoles had won by 110 votes over Statesmen. The rest of the top contenders (in order) were Rebels, Tarpons, Fighting Warriors and Crackers.

In the 1950s, a pair of students dressed in Native American costumes and joined the cheerleaders on the field which eventually evolved into the majestic symbol of Osceola and Renegade that FSU now enjoys. Today, the Seminole Tribe of Florida participates in many campus activities.

Florida State University is proud of its longstanding cooperative relationship with the Seminole Tribe. The Seminole people have suffered many hardships and injustices, but they have remained brave, dignified and proud. The Seminoles are unconquered. They symbolize what we hope will be the traits of all of our graduates, including our student-athletes.

The fighting ended in a stalemate in 1842, and an uneasy peace lasted for 14 years. In 1856, however, Seminole leader Billy Bowlegs and his followers were provoked by U.S. soldiers. They retaliated, and the ensuing series of skirmishes became known as the Third Seminole War (1856-58).

When U.S. troops once more withdrew — again with no treaty or victory — the Seminole Wars finally ended. All told, more than 3,000 Seminoles had been forcibly removed from Florida to the Western territories of Arkansas and Oklahoma. As few as 300 remained in Florida, and they took refuge within the dense swamps of the Everglades. However, their place in history was assured as the only American Indian tribe never to have signed a peace treaty with the U.S. government.

From the 1920s onward, as the development boom exploded in South Florida, the Seminoles lost more and more of their hunting lands to tourists and settlers. They became agricultural workers in the vegetable fields of South Florida, and also ran tourist attractions, wearing their colorful patchwork clothing, producing souvenirs and wrestling alligators.

On Aug. 21, 1957, the Seminole Tribe of Florida was established through a majority vote of Florida's Seminole Indians. This vote gave the Seminoles federal recognition as a self-governing tribe with a constitutional form of government. The Seminole Tribe of Florida now has almost 3,000 members living on five reservations across the peninsula at Hollywood, Big Cypress, Brighton, Immokalee and Tampa.

The Seminoles work hard to be economically independent. Tourism and gaming profits pay for infrastructure and schools on their reservations, while citrus groves, cattle agriculture, aircraft production, tobacco sales, land leases and aquaculture are other significant sources of revenue.

Having persevered through two centuries of adversity, the Seminole Indians of Florida have earned the right to call themselves "the unconquered people." Their indomitable spirit is one that Florida State University proudly seeks to emulate in all of its endeavors.
